### **Heart Breaker (May 22 1992)**

A fun outgoing person who likes hanging out with friends and family.

## **Boys**

Boys  
We lived with them  
we can't stand to be around them  
They annoying but we need them  
around them

They are a part of life  
and circle of life  
They are heartbreakers,  
cheaters, brat,  
Sometimes sweet, thoughtful, kind,

We Girls do it sometimes  
we all can't help it  
It just in our blood to do what we hate it

Heart Breaker

## **Death is love**

Death is love  
Death comes after love  
Death is like love but with sadness  
Death is temptation like love  
Once you have it be gone like that in a heartbeat  
But death is your true friend it never  
Leave, lye, cheat, or steal from you  
Death is peace and quiet unlike love  
Death is sometimes painful like love  
Death is love it is always with you everywhere you go  
It never sleeps and while watching you  
every move you make  
Death gives you hope like love

Heart Breaker

## **I give you everything**

I give you everthing  
I give you my  
heart, soul, mind, body  
but all you do it take and take  
never giving me anything

I don't why i'm still with you  
I give you everything  
and you don't give me  
your heart, mind

You treat me wrong but some  
reason i still with you  
but i'm afarid to leave you  
and i won't find no one to love me  
how can i if i still with you

I need someone to be willing to  
give me his heart and i don't  
have to ask for it  
I gave you everything

## **Kiss of death**

Kiss of Death  
Is like flying  
Over a sea of darkness

Kiss of Death  
Tastes like hope and freedom  
You know your life is coming to a end  
You don't know when it's coming, but it's soon

Kiss of Death  
It is sweet, but painful  
Because when you look into his eyes  
You see the loved ones that he has taken from you

Every Kiss of Death  
Is just another death  
But every end  
Is also  
A new beginning.

## **Life is a choice**

Life is just a game of life and death  
Love and loneliness  
Life is a choice made by you  
Life is full of decisions wrong or right  
Life is full of heartbreak and pain  
We fight, we break up  
We kiss, we made up  
Although life is confusing at times  
Live your life to the fullest of every day  
In life you live, you love, and you laugh

Heart Breaker

## **lips of death**

Words from death are  
Powerful, truthful  
Lips of Death  
Speak nothing but the truth  
And nothing but the truth  
Lips of Death  
It can be painful to hear about others  
But death is death  
There nothing you can do about it  
Lips of Death

Heart Breaker

## **live your life**

Life is just a game of life and death  
Love and loneliness  
Life is a choice made by you  
Life is full of decisions wrong or right  
Life is full of heartbreak and pain  
We fight, we break up  
We kiss, we made up  
Although life is confusing at times  
Live your life to the fullest of every day  
In life you live, you love, and you laugh

## **Love =**

Love = Death  
Love = Pain  
Love = Heartbreak  
Love = Hurt  
Love = Lust

How can we live without them  
They is our soul, heart, mind, and body  
They is all we think about  
Day and night 24/7  
We get hurt by someone or what they did to us  
How we can get over a  
death, pain, heartbreak, hurt  
Lust we think it love but turnout it not then  
we get our hearts break even more

How much can we take when  
our hearts is so little and  
they takes so much

Heart Breaker

## **Monster**

There are many types of them  
we can feel them around us  
Some of us fight  
others live with them

We need monsters to help us  
to be a better person  
Monster they lived in are hearts  
We need them to help us survive

We can't lived with them or without them  
How can we make ourself with the monsters  
If we try to get rid of them  
they will find a way to come back to us

## **Truth about Boys**

Boys are like a broken toy  
They can't handle the  
Pressure and feelings  
Once they cheated they  
Can't help it of doing it  
Over and over again  
They got a switch a good or  
Bad and don't have a switch to  
Restart or redo all of their mistakes  
To lose the one they loved the most  
It hard to handle their feelings so they break down  
Or they try to find another one but it  
Hard to lose another one or find another  
Then they drink and have sex with anyone  
They meet then they lose a job and  
Move back with his parents until  
They die or they kick him out

**Why? ? ? ? ? ? ? ? ?**

Why  
Do we cheat,  
lye, steal, sleep with our  
best friend girl, murder, rob

Why  
Do we think we  
get away in life  
but we don't at the end

Why  
We do things that we  
know that we could  
get in big trouble

Why  
If we don't get caught  
but always worrring about  
getting caught at the end

Why  
Do we do things  
Why
