James Davis (12/26/1990)

I'm a young writer writing in secluedness of my mind. I write when I'm inspired to or if it is asked of me. I write my own poems both from experience and from my mind. I write about loves and shattered loves. I have written many poems and there will be more.

She Loves Me

Abnormal heart beat and the emptiness inside me disintegrating?

What could this be? What is this warmth inside me?

Why do i feel as if I can't die when your with me?

Why do i feel sick and cold when I'm alone?

How could this girl make such a ruckus inside me?

How can she make me feel alive after I've already died?

Why does my veins show a pulse when she is close?

Why is the air so sweet when we walk on the same street?

Why can I breath? It's clear as day but I don't know how I'm feeling this way?

It's because of her the girl that walked up to the prison cell door.

Can she see what awaits her inside or did she just clumsily stumble inside?

She sees it but how? she adore it but why? she love me but she isn't mines?

James Davis

The Only One

Your the only one that broke my heart
you made the essence feel pain you achieved to be
the only one to make me cry. I don't know how i saw love in your eyes
If you don't see all my pain insides then I know why.
Since your return I have felt pain
I really thought i found the only one that made me happy
But all you succeeded in doing was giving me hope and tearing it apart
You shown me that the love we shared was an illusion in my heart
I would've forgot but i didn't want you to hurt
even after we closed that door you were still number one in my heart

I tried to prohibit acknowledging that you loved him more
when I couldn't bare it no more I sealed away my heart inside the dark
So no one could see not even me
If you could only see inside me you'd find a prison with no light
or windows deep inside is where my heart will be

James Davis

Why You Left

Babi tell me why
Did you want me to die
or did u hate that you saw love in my eyes
before my last breath before your last text
I knew you'd be my best but worst ex
The one who would shatter what many have scarred
Yes it broke because you were happy when I left

To grow old was the plan but you left me for another man.
Even though I broke it off it hurt me that it was what you had planned
Seemed to me that he was all you could see, i was the glimpse you never missed
therefore i will not cry for someone that doesn't love me
Tell me why? Why should I?
Ill set myself free
