Didn'T Get To Know You! Wrote This For My Uncle R.I.P. Tio Candy

It was late at night, as the phone whent off. As I awnsered, it was my aunt. I had a bad feeling, I just didn't know if I was right. She asked for my mom, I handed her the phone. My mom asked what was wrong? As I walked away I heard her cry. I didn't know why. She walked to my room, around the afternoon. Wondering if it where a dream, I told her it wasn't couse I heard her cry. She called around asking how it happend, She didn't want to belive it, and now i know why. I was still wondering what had happend, as I asked my mom. As she explained I felt sad. But I didn't get to meet you, and I don't know much about you. Now your not here, and I didn't get a chance too. As much as I know you are loved by everyone in many diferent ways. If only I had a chance to speak to you, and got to know you. But it's okay. Couse I know your watching over us, now your in a better place. And soon we all be together, again.
