A girl

When a girl hates you,
The way she hates you,
That really means
She likes you
Thats basic

All I want

... And then you
shoot across my sky,
like a meteor...

All I want is him...
All I need is him...
All I want is you...
All I need is you...
Him Is you...

Leia Abramson

Beautiful

You are beautiful
don't let anyone say anything less
everyone is beautiful
none aless

beautiful can mean so many things
Beauty
Exquisit
Amorous
Uunreal
Talented
Intelligent
Funky
Unique
Legendary

everyone is beautiful
even in their own way
you are beautiful
I must say

Leia Abramson

Boys? ? ?

Boys you gotta love em'
You love them,
You Cherish them,
But you can live without them

Boys are great
They make great friends
They are sometimes great boyfriends
And they are great athletes

They can be real assholes
They love you one minute, then they hate you the next

Boys say we are confusing
Well your just as bad
Theboys I know dont know what thy want...

Boys I love
love me back,
don't know who I am,
Are just my friend,
Or... they hate me

I may love you
you wont know
Or... I dont like you like that...

Leia Abramson

Even though

You're never online
You're never around
I know you love me
You're just afraid of
what others will think
WHY
Do you have to be so low?
Why do I still love you?
WHY
Can't I just let go <3

Leia Abramson

Every girl

Every girl wants a guy,
that she can go to in hear sweats,
hear in a mess,
make-up running down her face,
red eyes from crying,
and the first thing he tells her:
baby, you're beautiful and he means it

Leia Abramson

Excuses

You know when you
LOVE
someone when you
walk to sharpen your
pencil just to see him
when realize that
your pencil is mechanical

Leia Abramson

Forget

Forget his laugh,
Forget his grin,
Forget the dimples on his chin
& and try to forget how he broke your fucking heart

Happy Birthday

(this is to all my frienns) (And if its your birthday best wishes)
(this is funny) (inspired by the happy birthday song (funny))

Once a year e celebrate
with stupid hats and plastic plates,
the fact you were able to make another trip around the sun
And the whole clan gathers round
and gifts and laughter to were found,
we let out a joyful and sing that stupid song,
Happy birthday now your one year older,
Happy birthday your life still isnt over,
you did not accomplish much,
but you didnt die this year I guess thats good enough,

So lets stick to your faiding health,
And hope you dont remind yourself
the chance of finding fame and welth...
decrease with every year

Does it feel like your doing laps?
eating food?
and taking naps?
And hoping that on day perhaps...
your life will hold some cheer?

Happy birthday
What have you done that matters?
Happy birthday
Your starting to get fatter
Happy birthday
Its down hill from now on...

(sorry if this sounds rude)

Heart You

Open your eyes
BOY
she loves you
DUDE I so
TOTALLY
Love You
HONESTLY
I Love You
Loving you is like
HEAVEN
But its can HURT like
HELL
Boy... who
stole my heart... and will forever have my heart
Broke it!

Leia Abramson

hmmm... I've been thinking

Hmmm.. I like you
you dont like me at all
you make fun of me
and call me names
I still have some feelings for you
that i just quite dont understand

I cry for hours when I get home from school
thats how hurtful ur words are to me
I cry my self to sleep
because I miss you
Because I love you
Because I dont understand why I love you

Leia Abramson

Hurt

I love you
But sometimes it hurts
I don't care what they say
I'm in love with <3 you <3
I still love you...
Even though
I know
you <3 love > Her <

Leia Abramson

I

I'm an angel
I'm a devil

Sometimes i'm a million colours
sometimes i am black and white

I am special
I am beautiful
i'm wonderful
and powerful,
unstoppable

sometimes i'm miserable
sometimes i'm pitiful
but thats so typical from all the things that I am

I like to be by myself
I hate to be alone
part of all the things I am

I'm a million contradictions
sometimes i make no sence
sometimes i'm almost perfect
sometimes i'm the best
sometimes i'm not sure who i am

Leia Abramson

I Am

I am,
The kind of girl...
Who tells her friend...
I like that guy go tell him...
Wait don't tell him...
Tell him...
Dont tell him..
* goes, runs up to him *
says: I like you
* and runs away *

Leia Abramson

I can c the pain

I still see your face in my dreams
It hurts and it doesn't help at all
I still want you in my life as crazy as that seems
I want you to catch me when I fall

Leia Abramson

I have.. No! I want... (deticated to aaron V)

I want a
GUY
That loves my smile
&& My Dorky laugh
&& and doesnt care about what
I wear or how I do my hair
I want a guy who loves ME!

Wait...

I have a
GUY
That loves my smile
&& my dorky laugh
&& doesnt care about
what i wear or how I do my hair
I have a guy that loves ME!

Leia Abramson

I Love You

I never really knew you
You were just another friend
But when I got to know you,
I let my heart unbend.

You were just another friend,
I got to know you,
I ignored you said you were a pain
pain in the butt,
you were on my bus.

You were my friends love,
she loved you with all her heart
and said she didnt love you anymore
I borrowed you for the moment nt knowing you were still loved by her

I love you more than anyone
I just had to let you know
And if you ever wonder why
I don't know what I'll say
But I'll never stop loving you
each and every day
My feelings for you will never change
Just know my feelings are true
Just remember one thing
I love you

Leia Abramson

I still

I still love you
Even though...
You broke my heart

Why am I the one who
is calling you stupid
I was the one who
Believed you,
When you said
'I love you'

You may not care
or believe...But
I will always love you
forever and ever
No matter what

Leia Abramson

I'm only me

I'm only me when I am with you,
Everything I need is right here by my side,
I don't wanna live without you,
I don't wanna fly if your still on the ground,
well he drives me crazy half the time,
The other half I'm only trying to tell you what i feel is true
and I'm only me when i'm with you,
Livin' in a lonley world,
Just movin' through the croudtrying to find myself,
I ask myself who do I wanna be,
I dont wanna be anyone but me

Leia Abramson

Its Called A Heart

Its called a heart...
Point is you can't help who
you fall for... your heart...
Tells you...

And if you cant get
Someone out of your
headmaybe they are
soposed to be there
because your heart tells
you what your eyes
miss...
ITS A LITTLE THING CALLED LOVE!

Leia Abramson

lost you

I always feel this way
I love the person
Then they are gone
And you can't get them back
And it was ur fault in the first place
But you still have feelings for them
And they will never know

I still love you
I really do
Why did I get rid of you
when I still love you
but you dont love me
I still love you
But I dont know why

You were mean to my friends
I couldnt take that anymore
My friends didn't like you
That didnt bother me

I still love you i wont tell you tho
I wanna be your friend or ever
cause are friendship is what I want

Leia Abramson

Me! ! !

I feel like this everyday
I feel like everyone is mad at me
I feel scared to o to school
I feel like that lady is everywhere
I feel like this everywhere I go
I feel she is following me everywhere I go and watching my every move

Should you be scared to enter your own home?
Should you be scared to go to school?
Should you be scared to go the only place you feel safe?
Sould you feel like your being followed?
Should you be scared to visit your dad?
Should I feel like its my fault?

I love my life!
I love my parents!
I love my friends!
I love my family!

I wanna be able to live without fear of going to school...
to visit my dad...
to go home...
or be afraid to care...

I dont speak about my dad
I love him!
I cry when I think or speak of him
I shouldnt be afraid to go home... and visit him

I love my friends
I love my parents
I love my family
I love the people that care about me

Leia Abramson

missing someone special

I'm Missing you
Most of my day I think of you
I Love you
People say I shouldn't
People Say you cheat
I Dont Know Who to Believe
I Need You
Do you need me
as much as i need you

I try so hard
I know nothing comes easy
I cant seem to get away from this missery
I cant seem to get away fom this missery
Trouble follows me

I miss you so so much
I try so hard not to
i miss you
thinking of you makes me more missery
I try so hard
hoping one day you will save me
trouble follows me
I can't seem to get away from this missery

I try to get away
but missery follows me
I try so hard
I cant stop thinking of you
I try so hard
But the trouble follows me

I miss you
I Love you
I miss your laugh
I miss your smile
I miss when you wrap your arms around me i feel safe
I miss the fact that i love you and you love me
but when your gone i dont feel loved back

I feel safe with you
my fears dissappear
my tears vanish
my heart beats 1000x faster
your arms are my castle
you touch is my heaven
your kiss is paradise

Leia Abramson

My stars

You make the stars
Shine brighter in my world
How do you do it?

Somewhere between
all our laughs,
long talks,
stupid little fights,
an all our jokes
I fell in love

The point is
We can't help
Who we fall in
LOVE
WITH

It's amazing that you,
can be this one person
and this one person is you
and you can make my heart...
Skip a beat

Leia Abramson

Once upon a time

Once upon a time,
something happened to me.
It was the sweetest thing
That could ever be,
a fantasy,
a dream, come true,
It was the day that I you

Leia Abramson

Tea

I sat next to the dutchess at tea
she wanted to make me scream
she looked like a duck
her name was chuck
and thought that she was a he

Leia Abramson

there's this boy

So there's this boy...
the way he laughs makes me smile
And the way he talks gives me butterflies
Just everything about him makes me happy

Leia Abramson

Whats This?

Why can't I do this?
Why can't I tell you?
Why do I hate you?
Why do I love you?
Why are you just my friend?
This is hard for me...

I love you with all my heart
But you don't love me
Can't you tell I'd do anything to get you

I just realized how much I love you
I need you
I love you

Your my love
You help me when i'm down

I like you
I care about you
Cant you tell?

Leia Abramson

when your gone

When your here,
I love you
When your there,
I miss you
When your gone,
I need you.

When your gone
my heart feels like it has shattered into a million pieces
When your gone
I can't hold my self back from crying
When your gone
I feel like being held but there is no one to hold me
When your gone
I love you but it feels like there is no one there to love

When your there
I can't see you
When your there
I can love you but your not here
When your there
I can talk to you but not see you

When your here
I can love you
When your here
I can hold you
When your here
I can kiss you and say goodbye

when I say goodbye
I always cry
because when your gone I need you the most

Who am I? ? ?

Am I an athlete?
Am i deticated to my sports?
Can I swim 100miles
or run a marathon?

Do I always get 100% on my quiz's and tests'
Can i participate in a decathalon?

Who am I to you? ?
a nerd
a athlete
just a friend

I mean I dont know who i am! ! !
Do you know who you are? ? ?

Leia Abramson

Who would i be without you?

Who would i be with out you?
You can say that alot,
Who would I be with out my mother and father?
Who would I be without my friends?

nobody without my parents I wouldnt be alive
without my friends I would be a nobody

Without my daddy i dont know what I would do?
He brought that lady into my life,
I didnt really know her all too well I thought she was fine...
She intimidates me, she took my daddy away from me
she took him a way and i ruied it all
now she is ruining my daddy's life and its all my fault
I'm sorry daddy I didn't mean too...

without my mommy i don't know what I would do
she heals me when i'm sick,
she stays with me when i am scared,
she took me in when the lady scared me and holds me when i cry,
she can get mad at me but its for my own good
I love my mommy

As for my friends
I need you just as well
you guys help me when i'm down
you get mad at me when i do something wrong and forgive me when i apologise
I love you guys my old friends and my new you gys walk in and out of my life but as
for the special ones you will leave a print in my hear forever and ever on...

Leia Abramson

Why? ? ? ?

Whats wrong with this picture?
Whats wrong with me?
Why are you doing this to me?
Why are you ruining my life?

First my daddy
Now my mommy
Now Why my mommy

You people are ruining my lifes
First the lady
Now that man

I am crying inside
Who can see past my such fake smiles
Smiles why do I bother trying to smile anymore
When I am crying inside

Why are you taking my mommy
Why?
She is my mommy
Not your wife
I don't get how she can love you
She loved me first
Not you ME

Ive known you my whole life
I Hate you
Ive never liked you

Why My Mommy I say
Like First My daddy but
no, no you can't take my mommy wont let you
I refuse to let my mommy go she is all i really have left

I see my daddy but my mom iks my whole life
if you wernt here it would be great id be in heaven
Just because your mother treated you like this doesnt mean you have to treat me like
this

Wishes and Dreams

I have my dreams
I have my wishes
My dreams come true....
My dreams don't come true...
My wishes come true...
Or they dont..

I have my friends
They are my wishes,
and they are my dreams

My parents have wishes for me
They also have my life planned out
My mom wants me to be a writer and an artist
but my dad says i should be a famous ringette player,
Play for team canada, play in university
I know he is joking he says i owe him
for that lady, but of coarse no i don't
He just wants me to be happy

Leia Abramson

You! ! !

I don't really know you all to well
You were on my bus
your my ex-boyfriends friend
I like you alot
I still like my ex but i like you
And I am trying to move on

This isnt really working out all to well
I don't now how to ask you
I don't wanna be shut down
I like you alot
I just want you to know

Your my friends, friend
I dont think she approves
I find it quite amusing
Because I can read her like a book
I know when she's gonna say yes and I know when she's going to say no

I like you it was my best friends idea to ask you out
It wasnt because of her I asked you out
And it wasnt because of my ex's idiotic dare

I like you
I love you
I'm crazy for you
Your different from anyone else I know
I find that good

Your the one I want
Your the one i need
Your the one I want to love

I want to know if i feel the same way
I want to feel safe with you
I want my fears to vanish when I am around you
I want my tears to vanish when I am with you
I want my heart to beat 1000x faster
I want your arms to be my castle
I want your touch to be my heaven
And your kiss my paradise
