## **it takes courage**

it takes courage

it takes courage to say life goes on  
without knowing where you might end

it takes a lot of courage to achieve what  
you want to be in life

it takes more courage to forgive  
someone that hurt you

it takes more courage to make a tough decision  
when you know you might end up paying consequences

it take more than courage  
to be responsible and honest

it takes more than what you call courage  
to be a real man! !
