Books

Books

Books are knowledge
of the brave
hearted and those
who are daring
to read them.

Books are knowledge
of the mythical
creatures that roam
around in children's
dreams.

They are the
thing that we
use for everything.
From school to
reading them for
fun.

What will we
do without them?
The world would
not be the same.

Bravery

Bravery is kind
for those whom
know how to
use it and
for those who
have it at
their side.

It can bite
you while your
not looking because
bravery can be
bad and it
can get you in
trouble.

Bravery is for
the kind and
the willing. It
can come in
many forms and
different ways. For
some it might
be going to
school and for
others it might
be sky diving
for the first
time. What ever
bravery is, everyone
has a little
bit of bravery
in them.

Bravery 2

Bravery is like
a pine tree
up in the
cold harsh mountains.
Bravery is a
lone cloud drifting
by itself in
the night sky.

Bravery talks to
those who deserves
him and his
presence. It is
in everyone's heart
and it is
here and there.
Bravery is everywhere.

Life

What is life
if you don't
live it to its
highest potential?
Is it for fun
or is it because
you just want to
live your life for
no reason?

What ever the reason is
it is your life
and you can do
what ever you want
to do with it.

Roses

What are roses?
Roses are beautiful creatures
That live for a short time.
They show their beauty willingly
And give off their fragrance of beauty.
