**Nikunj Parikh (21-03-1987)**

I started writing poems fairly recently in fact i wrote 'Someone' my first poem on 4 Jan 2007. Most of my poems are love poems. i just feel great when i can put my thoughts into words and words into lines and lines into poems...  
I hope you enjoy them! !

## **Be glad! !**

Be glad! !

When you are sad,  
Cherish the moments  
You've had,  
And be glad,  
Count your blessings,  
And share your feelings,  
With someone,  
Who is caring,  
Don't be alone,  
When you cry,  
Share your tears,  
And then, away,  
Your troubles will fly!

## **Day by day! !**

Day by day! !

Day by day,  
I love you more,  
Each day,  
More than words,  
Can say,  
You are my dreams,  
When awake,  
I lay,  
And in my heart,  
Forever,  
You'll stay! !

## **Dream!**

Dream! !

Dream! Dream! Dream!  
Life is like a flowing stream,  
Taking you to different extremes,  
So just spare a moment to dream,

Dream about thee,  
About what you want to be,  
About the one, you long to see,

Dream for a while,  
About someone,  
Who makes you smile,

Dream about all the things,  
You want to do,  
Before to this world,  
You bid final adieu! !

## **Feel the love!**

Feel the love!

Let's get along,  
And sing a song,  
Stand by each other,  
And be strong,

Let's take a chance,  
For a wonderful romance,  
Hold each other,  
And have the best dance,

Let's hug each other,  
And cuddle in the bed,  
Feel the love,  
Without a word being said! !

## **Flame of love!**

I thought of some eloquent lines,  
To convey my feelings,  
And make her mine,  
But now I realize,  
That its impossible to describe,  
The emotions in my mind,  
Flowing like a wind blowing wild,  
A passion that is like a surging tide,  
Which is impossible to hide,  
For the flame of love is burning inside,  
Or rather,  
Burning me from inside!

## **I Walk with a lonely Heart! !**

I walk with a lonely heart! !

I walk with a lonely heart,  
Pierced by love's unforgiving darts,

Even in crowd, I'm alone,  
Even when happy, I'm forlorn,

Moments with her fill my heart,  
And however hard I try, they won't depart,

For somewhere deep in my heart,  
Before I could know, she's become my eternal part,

I walk with a lonely heart,  
Pierced by love's unforgiving darts! !

## **I won't write for you!**

I won't write for you! !

I'll write for the birds and I'll write for the trees,  
I'll write for the winds and I'll write for the seas,  
I'll write for the stars and I'll write for the sun,  
And I'll even write, for special someone,  
But I won't write for you,  
And I won't cry for you,

And when I go down the memory lane,  
I won't think of you, and do all crazy stuff again,  
For loving you, gave me nothing,  
But night of tears and heart of pain,

And so now, I won't lift my pen,  
To write for you again,  
For I got no tears to shed,  
And heart to cry again! !

## **I'll cry!**

I'll cry!

On this Valentine's Day,  
Lonely I will stay,  
And when I say good-bye,  
My broken heart will cry

I will cry in agony,  
I will cry in pain,  
I will cry during the summer,  
I will cry in the rain

I'll have tears in my eyes,  
For, in them, your memory lies,  
And when my tears flow,  
My love for you will glow,

In the night when I sleep,  
Somewhere in my heart deep,  
My soul will gently weep,

Although I may not have the glory,  
This, by far, will not be the end of my story,  
For I know my love is true,  
And someday I'll be the one for you!

## **In the shining light!**

In the shining light! !

When I saw you in the shining light,  
My face lit up so bright,  
Felt like holding you tight,  
And kiss you in the morning light,

Caress you with my hand,  
Take you to a distant land,  
To an oasis in desert sand,  
And love you till the end! !

**Its happened once again! (To the victims of jaipur blasts & other terrorist acts around the world)**

It has happened all over again,  
Hundreds have been left dead,  
On the day when the pink city was painted red,  
The innocent have fallen prey again,  
Peace loving people having to suffer the pain,  
But its not first but has happened all over again,  
when ordinary people have paid for others selfish gains,  
Moans and screams and cries are the only sound in the street,  
funeral pyres are the only lights in sight,  
But even more deafening is the silence,  
And even more blinding is darkness,  
Left in the lives of the people who have lost loved ones,  
To the heinous terrorist acts,  
That continue to occur again and again,  
Fortunate ones can only imagine their pains,  
But although their suffering we may never understand,  
We can pledge to be united and hold hands,  
and promise to rise up and take stand,  
And try our best to prevent,  
This cowardly and vandalistic acts,  
From happening again and again,  
We dont need to succumb and feel helpless,  
Against such deeds,  
For to fight against them,  
Courage and unity is the only thing we need!

## **Life!**

Life! !

Life is not about,  
Years you live,  
Its about,  
Joys you give,  
Its about,  
Moments you have,  
And happiness you gave,  
Life is about,  
Loving someone true,  
And not expecting that,  
Someone to love you,  
Its about,  
Chasing your dreams,  
However impossible,  
They may seem,  
Its about,  
Flying high,  
And trying to,  
Touch the sky,  
Life is not about,  
Years you live,  
Its about,  
Joys you give! !

## **Lonely Hearts & Starry Nights! !**

Lonely Hearts & Starry Nights! !

Lonely hearts and Starry nights,  
Part of everyone's life,  
Sometimes in heartbreaks,  
Sometimes in delight,

Some nights the moon is shining bright,  
And sometimes the eyes are crying,  
Longing for her sight,

Some nights the stars are twinkling above,  
And sometimes the heart is lonely,  
And looking for love,

Sometimes in the beauty of night,  
You dream of holding her,  
And flying in moon's silvery light,

Filled with joy and delight,  
Sometimes your heart takes flight,  
And at other times you wish,  
You don't wake up when you sleep tonight,

Lonely hearts and starry nights,  
Part of everyone's life,  
Sometimes in heartbreak,  
Sometimes in delight! !

## **Love is an art!**

Love is an art!

Love is an art,  
Painted by emotions,  
On the canvas of your heart,

Her image once sculpted,  
Remains engraved forever in your heart  
And even before you know,  
She becomes your eternal part

And statue once sculpted,  
And the picture once painted,  
Lasts with you forever,  
Until you live and even after you depart,

She becomes a timeless piece of art,  
Lasting forever in your heart,  
And being loved till eternity in your heart,  
For love is an art,  
Once you start,  
It forever lasts! !

## **Memories!**

Memories! !

Larger than life,  
Deeper than skies,  
Her, eternal memories in my heart,  
Will forever glitter in my eyes! !

## **Moments!**

Its hard to find the lines,  
To write about you,  
And all the special times,  
There can be no words to truly say,  
How much I have loved,  
Each moment with you, every day  
There is no poetry or rhyme,  
That can truly describe,  
The moments flashing in my mind,  
Dazzling and twinkling,  
Like the stars that shine,  
Moments that'll forever play in my ears,  
Like beautiful notes of music,  
That'll never disappear,  
Moments with you can never die,  
But will forever stay with me,  
As long as I am alive!

## **My fire! !**

My fire! !

With every heartache,  
I become mightier,  
More my heart burns,  
More I become a fighter,  
Whenever I fall,  
I rise higher,  
And more brightly,  
Burns, my fire! !

## **One forever!**

The night was enchanting,  
With silence, the only sound,  
Stars, the only source of light,  
And darkness, the only thing in sight,  
In the night she fled away,  
Ready to face come what may,  
She held his hand and both flew away,  
To create the paradise of their own,  
Under the sun,  
They went away to return never,  
And when they hugged and kissed,  
They became one forever!

## **Please be kind!**

Its strange but true,  
That however hard i try,  
Whatever i do,  
I may never be able to prove,  
That i got nothing but love for you,  
Although my words may sometimes fail to say this to you,  
Try and look in my heart and you will find that its true,  
You'll find that i got nothing but love and respect for you,  
And if sometimes my actions let you down,  
Please forgive and don't frown,  
For i don't ever wish to let you down,  
And sometimes the words i find,  
And lines i say are unable to speak my mind,  
But i still hope that you forgive me and be kind,  
And don't make my heart pay,  
For the actions of my tongue,  
That failed to convey my mind,  
So please be kind,  
And forgive this heart of mine!

## **She is the one!**

She is the one!

I love someone,  
And I know she is the one,  
Behind her I run,  
With her life is lot of fun,  
Coz she is the one.  
I will walk a mile,  
Just to see her smile,  
For her I long,  
And in her arms I belong  
She is the one,  
I look at her to impress,  
But, my love, I never confess,  
Though I know she is the one,  
I hear her sound,  
Even when she is not around,  
I want to run and hold her,  
But I have never ever told her,  
That She is the one.  
And when I touch her,  
I know I love her,  
Coz for me she is truly the one,  
And when I tell her how much I love her,  
She will know,  
She is the one! !

## **Someone! !**

Someone!

I am traveling through desert of life,  
I know not what my destination is,  
But I am going for that distant star,  
On my way I come across many places,  
And meet many a people,  
And I have many moments,  
But I know I have to live the moment and move on,  
For I have my eyes on a distant star,  
And one day at one place  
I meet someone and I know not who she is?  
I don't know what to do,  
Make her my memory or my companion,  
Enjoy the moments with her and move on  
Or stay on and accompany her,  
Is she the person of my dreams?  
Or is she just one of those whom I meet?  
And I don't know who she is,  
But whoever she is,  
She is someone special.

## **Standing Tall!**

Standing Tall! !

I don't need a hand to hold in despair,  
And I don't need a rocking chair,  
For I have learned to forsake the pain,  
And let the blood be washed way by monsoon rain,

Now no one can stop,  
Me from rising to the top,  
For I have learned to rise from the fall,  
And I have learned to break the damn wall,  
And when the dust settles down and curtains fall  
I'll be the only one, standing tall! !

## **Stay Near Me!**

Stay near me!

Stay near me, stay for a little longer,  
Stay here for a while,  
Stay on till the night,  
Stay forever in my sight,

Stay with me when the wind blows,  
Stay here till the river flows.  
Stay on till my heart beats,  
Stay near me when I cease to exist.

Stay with me when my soul flies,  
Stay near me in the blue skies,  
And promise me that you will never depart,  
For it will surely break my heart.

Stay with me in my life,  
Stay near me when I die,  
Stay on for a little longer,  
Stay near me for a while! !

## **Waiting in vain!**

Waiting in vain!

How do I tell you,  
How much it pains,  
To walk alone in the rains,  
And to see your tears,  
Go down the drain,  
And to stand out there,  
Looking for her,  
And waiting in vain,

And how much it pains,  
To go on waiting for someone to comeback,  
So you can live again,  
And to go on smiling,  
Although your heart aches with pain,  
And to go on waiting for someone,  
Waiting forever in vain! !

## **When I am Dead!**

When I am dead!

When I am dead,  
Don't feel sad,  
Don't cry in the bed,  
Just laugh at the moments we had,  
Don't weep on my grave,  
Be a little brave,  
And cherish those memories you have,  
Walk in the rain and live again,  
See the stars and find me there,  
Enjoy the moon and face the sun,  
And remember me as your special one!

## **When I'm with you!**

When I'm with you! !

The skies are blue,  
My troubles are few,  
All my dreams come true,  
When I'm with you,

My heart sings a song,  
And I dance along,  
I feel an eternal glee,  
When, your face, I see,

It amazes me, what you do,  
When you walk through,  
You make me glad,  
When I'm sad,

You come around,  
And raise me up,  
When I'm down,  
With your mystical sound,

I pray to God,  
And hope my wish, comes true,  
And I'm always,  
With you! !

## **When she's gone away! !**

When she's gone away! !

I'll rather not wake up to see the day,  
When she's gone away,  
Breaking my heart on the way,  
Taking the light out of my day,

God I wish I'll not wake up on the day,  
When she's gone away,  
Her absence will make me sad,  
And without her I'll be dead,

The flowers won't bloom,  
The days will be filled with gloom,  
The birds won't sing,  
Even if its spring,

I'll rather not wake up on the day,  
When she has gone away,  
Taking my dreams with her,  
Leaving me alone forever,

And I wish I am gone,  
The day she goes leaving me forlorn,  
And lord, I wish I am not awoken,  
The day when I am forsaken,

I wish my soul goes away,  
With her, all the way,  
And I wish I don't wake up to see the day,  
When she's gone away! !

## **Without you!**

Without you! !

Without you, I'll miss,  
The eternal bliss,  
The good morning kiss,  
Your refreshing charm,  
Hug of your arms,  
Your enchanting smile,  
Moments of a lifetime,  
That lasted for a while,

Without you, I'll miss,  
Your mystical sound,  
That has me spellbound,  
The look in your eyes,  
Glow of your lovely face,  
Your eternal grace,

And I'll miss,  
The touch of the hand,  
Of the angel, one God send,  
For whom I stand,

I'll look at the stars above,  
And I'll miss, my love,  
And without you,  
I'll miss you! !

## **You are my sunshine!**

You are my sunshine!

You are my sunshine,  
When I rise,  
Every day,  
You are in the moonlight,  
When in the night,  
Awake I lay,  
You are my tears,  
When I cry,  
You will be in my,  
Last breath,  
When I die,  
I hear your voice,  
When the bird sings,  
You are my autumn,  
You are my spring,  
I can feel your presence,  
When the wind blows,  
I hear you giggle,  
When the river flows,  
In the life's ocean,  
You are, my love,  
God's wonderful creation,  
I am the boy,  
Who loves you true,  
And, like me,  
There'll be few,  
In this poem,  
I dedicate my life,  
To you,  
And although the poet,  
Will live without you,  
He will still,  
Now and forever,  
Love you! ! !

## **You are not a song! !**

You are not a song! !

You are not song,  
That someone can sing,  
And walk along,

You are not a poem or rhyme,  
Made of dead words,  
And empty lines,

You are, my love,  
A sweet symphony,  
That always,  
Plays in my ears,

You are someone,  
Who takes away,  
All my fears,  
You are the one,  
In whose memories,  
I shed silent tears,

You are not just a song,  
My dear,  
You are the one,  
For whose tender hug,  
I long,  
And you are the one,  
In whose arms,  
I belong! !

## **You are the reason! !**

You are the reason! !

You are the reason I wake up in the morning,  
You are the reason I see sunlight,  
You are the reason I make the music,  
You are the reason I write,

You are in the tunes that I make,  
You are in every breath I take,  
I am the fish, and you are my lake,

You are the hope, you are the spark,  
When days are rough and skies are dark,  
You give me strength when I am down,  
You raise me up and make my world go around,

You are the reason I live for,  
And with every breath,  
I love you more! !
