3OH! 3, Linkin Park, Paramore, I love any music. I love reading anything of interest, for some reason I can't stand Sherlock Holmes... I text my friends 24/7 (Litterally.) I love writing, though I'm not that good... and I love to sketch(also not that well...) Thats me!

Chances

I've given you so many chances,
And you've only let me down.
I've tried to show a smile,
But it's replaced with a frown.

I've tried to let it all go,
And for that I'm proud.
But the sign you've been sending,
Has been really loud.

You don't say you love me,
Like you did before.
I don't feel your heart.
I don't feel anything anymore.

It looks like you've moved on,
You hardly seem to care,
About what I do,
It's like you're hardly there.

I don't want to hurt,
And I don't want to lie,
Right now it seems best to go,
Goodbye.

Help me

When I see your name
Light up on my screen
I think of ignoring you
But that'd be too mean.

It used to make me smile
Make me laugh, even before
I even opened the message
But now that is no more.

Inside my head there is a war
About what to do
Because I can't seem to go
With out without you.

I feel like I need you
Each and every day
But I feel like I'm going to lose you
In some insane way.

Come on tell me what do
Help me decide about you
Should I stay and fell the pain?
If I do will I stay sane?

I figure if I do leave
Like you've said
You will end up in the ground
Lying there, quite dead.

Now, I really do not want that
But... I'm having trouble here
Life without you now
Is one of my biggest fears.

Help me
Tell me what to do
Help me
So I can stay with you.

Love You

I see your big brown eyes, and your sweet little smile. When I look at your face, I know everything's in place.

Tonight

I cry to myself
Each night.
Each smile, each laugh
Is a fight.
My bonds with friends
Are no longer tight.
Nothing anymore
Is ever right.
The prospect of intentional pain
Is a might.
And it might
Just be tonight.

What You Don't See

You don't see my eyes
Fill with tears
You don't see my mind aging
Like its been years.

You don't see my arms
Wrapped around my chest
Holding myself together
Forgetting all the rest.

You don't see the ache in my head
The pain in my heart
The sorrow in my life
And that's just the start.

Why?

Why is this so
Complicated
And confusing?
Intoxicating
and consuming?
