## **I Hate You Cancer**

I hate you Cancer  
Your vile evil and cruel  
You don't care who you hurt  
I'll never forget that day  
I'll always hate you for it

Your heartless Cancer  
You took someone important from me  
Someone important from others too  
Took people who didn't belong to you  
I hate you for it

You disgust me Cancer  
You had no right to take him from me  
He mattered more to me than my own life  
I hate you for taking my Daddy  
I hate you for taking others too

I hate you with a passion Cancer  
You took part of my heart with him  
You took part of my soul that day too  
I hate you for it  
I hate you I hate you I hate you

I hate you with every fiber of my being  
Go back to Hell where you belong  
I hate you, others hate you  
You're not welcome or wanted here Cancer

I hate you more than his doctor's  
I hope I get to witness that day  
Witness the day you fall  
And you will fall Cancer

You're gonna lose the battle one day Cancer  
I'm gonna laugh and dance around your grave  
You'll finally get what you deserve  
And you'll never be able to take another soul

## **I Need Your Help Daddy**

I'm tired  
I'm Physically and Emotionally tired  
I don't want to be the strong one anymore  
I can't this time  
I don't know what to do  
I need your help down here

I can't get back in control of my emotions  
I'm having a hard time dealing with your absence  
I'm having a hard time standing by myself  
I need your help Daddy

I'm broken and lost without you  
I need your will to want to carry on  
I need your strength to over come this  
I need your strength to stay standing  
Your courage to fight back again  
I need your help

Please Daddy I'm at a loss  
How am I suppose to do this  
I need your guidance  
I need you to guide me back  
To whom I was before  
I need your help Daddy  
I need your help

## **I'm My Daddy Made Over**

I am who I am because of him  
He's the reason for my son's name  
He gave me my courage & my strength  
To stand tall even when standing wasn't easy  
Stand for the ones who can't  
To think and fend for myself  
I'm my Daddy made over

Taught me to fight back  
To never back down  
How to pick myself back up  
When I've been knocked down  
Fight for what I believe  
I'm my Daddy made over

He gave me my stubbornness  
Gave me my pride  
Gave me my temper  
Taught me not to take crap  
To speak my mind no matter who  
Work for what I want  
I'm my Daddy made over

How to keep my emotions in check  
How to handle large amounts of pain  
When in trouble he always had my back  
He knew how my brain worked better than anyone  
I got it from him  
I'm my Daddy made over

Even though he's gone  
I'll stand and continue on  
I may stumble I may fall  
May even get hurt along the way  
But I'll pick myself back up  
I'll dust myself off and stand tall  
I'm honored and proud to say  
I'm my Daddy made over

## **Tell Me**

I'm lost hurt and angry  
Why did you take his life  
I want, No I need to know  
Tell me, Tell me why  
I deserve to know

Haven't you done enough to him  
What'd he ever do to you  
He suffered his hole life  
Suffered more than anyone deserved  
Tell me, Tell me why you did it  
I have a right to know

Why'd you let him born to them  
Born to worthless parents  
Parents who didn't care  
They threw him away like garbage  
Pawned him off on someone else  
Tell me, Tell me why  
Explain how you could do that

You gave him Polio  
You let others treat him like disease  
You took away the full use of his legs  
You warped his hand and foot  
Tell me, Explain to me why  
I deserve to know

You let others think he was crazy  
You let it go on for over year  
You didn't stop it, Why  
Tell me, Give me your reason  
Answer me, Help me to understand

You go and make matters worse  
You gave him Cancer  
You didn't give him a chance to fight back  
You just jerked him away from us  
Tell me, Tell me how  
How you could be so cruel

How can others not question you  
When others do it, It's murder  
But when it's by your hand  
It's your will, Their fate  
Tell me, What makes you so different  
Your no better than the demons knocking at the door

You heard me beg and plead  
You know I'm not afraid to die  
I was willing to carry it all for him  
I was willing to take my Daddy's place

You didn't even let me say Goodbye  
Tell me, Tell me why I couldn't  
Answer me, you owe me that much
