Debt of Love

If you owe, ask for a debt of love.
Debt loved very splendid.
Our Life is short, infinite.
Do not wait for slow, time to leave out.

Me myself

Don't walk in front of me,
I may not follow.

Don't walk behind me,
I may not lead.

Walk beside me,
And just be my friend.

Plenty of love

Time can not go back.
My love may not be returned.
Although today you may not see me in the eye.
Please know that my heart was given to you.

Of only a few times that may experience.
Like full moon and star look sparkling.
Meaning is much left.
Plenty of love, to love you again.

Secretly sent

Back into the sun set horizon,
Bird flying to secret cloud,
Squirrel burrow into less frequently,
Hear cricket, sing loudly.

Amid in the night,
Only Stars and the moon, my friend,
And light candles to light the flame,
Voice flute, make my heart feel lonely touch.

Sound played the sad music sad cord,
This is how thousands of grief-talk,
Asked me, to help console,
Waiting on my mercy, care be.

Can not try to sleep, lie down to sleep,
Because my heart melt, as wax is forged,
Be secretly sent to, the owner of flute sound,
Wants to help console, to depression, isolation, away.

The Fate

The bound form from the other slow,
Step with the changing time shift,
Fate brought us together to meet,
Make my day... well with you.

The binding comes with time,
Term contracts with meaning,
The good feeling with the heart,
My love is possible... with you

True love

Back ground of every love song,
The truth more than one love story,

Love Song, song by song
Sing among the love and the imagination town,

Previous love pass not far,
New love be behind

Be happy or suffering,
Love song, song by song

Where is love? ? ? ?
