#### You

I think about you all the time Sometimes ill text you Even call you to see what your doing or How you've been I like talking to you We are friends Im glad we are friends I wish we could hangout more often together but Every time I think about When we should go Where we should go Where should we meet somthing always comes up Its either I got softball or wrestling or When you are on restraction Sometimes at night I glaze up at the moon in the sky Wondering if your looking up at it to and When an air plane's lights go by I wonder if we are looking at the same plane at the same time
