## **Dad**

I lost my dad in 2001  
God said it was his time  
he was sitting down  
drinking his lemon lime.  
He liked to watch hockey  
and pretended to be rocky  
he was playing with the ladle  
sitting at the table.  
Then all at once  
he fell to the floor  
my sister-in-law heard the  
thump from her bedroom door.  
That`s when dad died  
of a heart attack  
now he lives in my heart  
his Love I`ll never forget.

## **It`s Real Lonely**

It`s real lonely  
out on this limb  
It`s real lonely  
not being able to help him  
It`s real lonely  
watching him go through this  
It`s real lonely  
knowing he really cares  
It`s real lonely  
not being able to hold him  
It`s real lonely  
knowing I love him so  
It`s real lonely out on this limb  
but maybe someday, He can take  
me off this lonely limb.

## **It`s Real Lonely 2**

Here I stand  
looking at that lonely limb  
I can`t believe it is so high,  
That lonely limb  
I used to be on  
the only place I could cry,  
Along he came  
and brought me down  
A new love I did see,  
In his arms  
the place I rest  
the only place I want to be,  
That loely limb  
I stare at now  
is just a branch on the tree,  
For his LOVE  
has brought me down  
and set my spirit free!

## **Love For You! ! ! ! ! ! ! !**

The LOVE I have for you  
is A new kind of Love  
A totally different LOVE

Your touch makes me shiver,  
that tells me I am in Love  
in A way I`ve known

Your kisses make me,  
see fireworks every time,  
your LOVE is always shown

Your eyes they glaze  
making my heart melt  
longing only for you

Your precence makes  
my heart beat eradically,  
that`s the LOVE I have for you

## **One Month Ago!**

One month ago, you opened a  
New door, and allowed me to  
enter into your life, for

Me that is the greatest gift  
Only you could ever give  
Now we are together  
Trying new emotions, it is  
Hard knowing we`ve been friends

Along time, but together we can  
Get past the friendship and go  
On as the lovers we should be

**There Sits A Little Girl!!!!!!!!!!!!!!**

There sits A little girl  
trying to fine things to do

She sits in frustration  
and yells and screams

Trying to get  
attention on her

There sits a little girl thinking  
how she can make new friends

She tries hard to be good,  
but can `t because she has  
ADHD.
