Darkness

The darkness surrounds me
It's getting so cold
I am all alone
With no one to hold

My world is so empty
All what's left is pain
No sunshine to light my way
Just like never ending rain

I drown in tears
My heart is crying
No one seems to notice
My soul is dying...

Intezar

Jise hum bepanha muhabbat karte hain
Jiske intezaar humne hajaroo saal kiya hai
Jiske liye humne tanhaiyo may ansu bahaye hai
Jise humne apni har ek duwayo may mangi hai
Jiske ruswayi se humne gina chod dia hai
Hajaroo saal baad aaj
Uska pegam aya hai
Humne socha apna duwa kaam kar gayi
Par jab kholke dekha to malum huwa
Usme to mare mannat ki shadi ke niyota thi
Socha tha ab tanhaiyoo dur ho jayengi
Ak bar fir khushi ki angon may hum julne lagenge
Par aisa ho na saka
Hum fir apne takdir se mar kha gaye
Ab to aisa lagne laga hai
Hum apne har ek duwa may uski hansii mangte hai
Aur anjane may hum apni hi ansu mangte rahe...

Kaash Tum Mere Hote

Kaash tu mere hote
To aaj khuda se itne shikayat na hota
Khud ko itne bewas na lagta...

Kaash tum mere hote
To ankho mey itne naami na hoti
Khudse inte nafrat na hote...

Kaash tum mere hote
To dil dard mey duba na hota
khud ko khone ki ehsas na hota...

Kaash tum mere hote
To aakelepan se pyar na hota
Khud se kobhi juda na hote...

Kaash tum mere hote
To aaj e din na aate
Khud ko mitane ki nobat na aate....

Mat Sen

Mat sen teri nam in labon se
Iss benam zindagi may tere nam hi to hai
Jiske sahare hum giya karte hai

Aankho se aansu jalak jate hai
Job job tu yaad aati hain
tu mannat hain meri
Jo kobhi pura na hua

Mat sen teri yaad is dil se
Iss gumnam gali teri yaad hi to hai
Jo hume roshni dete hai

Tuje jorurot hi nahi hamari
Aur humne tujhi ko apna
Arzu bana baithe hai

Mat sen teri mehak in hawao se
ek hawa hi
Jo tere paigam humtak late hai

Suno Jaanu

Suno Jaanu

Jab vi tumhari yaad ati hai
Hum tanhayi may sisak ke ro lete hain
Tumhari bahun may fanah hone ke liye betab ho jate hai...

Suno Jaanu

Jab tumhe geron ke baho may dekhte hai
Taab khud ko mita deneko ji chahte hai
Har ek sitam sehenge tumhari
Dil jo de baithe hai tumhe...

Suno Jaanu

Tumhari bager ab kisi cheg pe maan nahi lagta
Ankhe band ho ya khuli
Sirf tum hi tum nazar ati ho...

Suno Jaanu

Jis jagah pe kobhi dil raha karte the
Ab waha pe dard ke siba kuch nahi hai
Tadap tadap ke bikhar jate hai
Fir vi tumse aans laga baithe hai...

Suno Jaanu

Kobhi to aake dekho iss dewane ka haal
Saga-e-muhabbat kis tarha sehte hai
Ek pal vi aisa nahi gujarta
Jab tum yaad nahi ati...

Suno Jaanu

Ab aa vi jaw na
Aur kitna tarpayogi
Ab saha nahi jata a dard
Jo tumne dia hai...

Voice Of Heart

I want you to love me
Just one more day
And let me feel those nice
feelings once again
Let me forget that you have already went away
cause that will make me go insane Let me love you one more day
To give you more love
that may make you stay
Come back to my life
once again appear
Stay in my heart come near
Remove this fear
Let us fall in love once more
And from this dream
don't make me awake
Don't say goodbye
Don't close the door
For heaven's sake You were the sweetest dream
I know
Dreams are always better than real
Dreams always bring sun beam
Real puts you in prisons of steel....
