jacob mckain(5/25/1996)

So i use poetry as an outlet as my emotions. Just as many poets do. Poetry to me is my pride and myself. Its where i let my mind go free and everything i hold back from everyone around me out. These poems are used to let go of the thoughts i refuse to say, and those thoughts put down into words.

I dont really expect many people to read or like my poems. But, that is fine by me. It is what it is. Cause as i said the main purpose of these are to let myself and my emotions free.

As i lay here
in my bed alone

i wonder
just how much more
id be at serenity

if i had you
within my embrace

i think
about how calm
and happy i am

when i hold you

and i begin
to miss the warmth of you
the touch of your lips
on mine

i believe
ive found the calm
ive been searching

so deeply for

and it lays
within you

....

all i can say is

life is a place where the demons dwell.. and the angels burn
this world is a place where satan rains and happiness dwells within the worst of
choices and the greatest of pains

the way i have seen this world

is a way that would drive any person insane
it is not a place for the weak..

it is but a place

for the strong
and the ones who know how to pull through

for every mind
has its moment in which it shatters

ever person has a time in which
they dont see themselves worth it

but even though a mirror isnt worth fixing
sometimes you find that one that is worth every minute of your time to piece
back the best you can

the reflection of yourself may be blurred and cracked in the end
but you know it was well worth your time to repair it as much as you could

youll use every bit of yourself to fill in the missing pieces and cracks

and once your done.. youll never let it go
and youll smile every time you see it

from when its first cracked
to the time you finish it

youll never once frown at that mirror
no matter how much time finishes after you repaired it

for that mirror was your life project
and is the love of your life

and youd never let that mirror crack more or again after you find it
youll do your best to keep it fixed when its done

that mirror.. is what resembles a broken down person you found
fell in love with
and will give your all
and yourself
to fix up.. just so you can keep it for the rest of your life
and have it as something to smile at

Asking Myself

I always ask myself
just how dark has my heart grown

i always ask myself
just how can a make like me love

i always ask myself
just how do i know whats true

i always ask myself
just how cruel can this world get

and if im meant to feel
i wish it to be only death

jacob mckain

Carved Heart

i will carve a heart
it will bleed just like mine

i will carve a heart
it will hurt like me

i will carve a heart
it will grow cold like you

i will carve a heart
and this time
the heart
will never
belong
to you

jacob mckain

Chances Taken

i took my chances
i let you in
and now its time
i let you out

youve had your chances
and all youve done
was destroy them

all i thought
was id be the one
to make you change

but instead
all youve done
is change me
back to the old me

youve made me back into
the me
that hurt everyone

jacob mckain

Death And Love

death and love
have no difference

they both
end i pain

and both
affect the heart

and both
kill the mind

jacob mckain

Do You Even

i love you
but
do you even
love me

i need you
but
do you
need me

i cry for you
but
do you even
cry for me

jacob mckain

Eternity

eternal pain
something that will be with me at my grave

something i know to well

being an outcast
something that ive been far to long

and destroying everything i touch
is just my thing

love
just seems to not want a thing to do with me

so what is it im doing
why does this seem to follow me

why does this pain not want to rid
what do i have to do to make it end

jacob mckain

Everytime

everytime everything is going right in my life
everything is going wrong in my head

i thought suicide and depression was in the past
but looks like that just isnt possible for me

so looks like
offing myself is the only way to end it

so why is it
i still fight this

why dont i
just do this

why do i fight all this
so much

its not like
anyone would miss me anyways

jacob mckain

False-Less Life

Ive lived a life

filled with hate
filled with agony
filled with hopeless dreams

surrounded

by false hopes
and false gods

lifeless i walk

filled with hate
filled with agony
filled with hopeless dreams

in a world filled with death

jacob mckain

Hidden Blades

i have some blades
hidden in my house

they sit
calling to me

begging
i do this

so i just might
let them in my skin for old time sake

and ill let
my blood flow free

just for them

jacob mckain

I Fear Whats Becoming Of Me

i fear
what im becoming

but i dont know
why its happening again

but i will find out
and i will fight back

this time
my compulsions

wont control
my actions

this time
i will take control

and this time
i wont go back

jacob mckain

I Have

i have carved
i have cut

i have hurt
i have cried

and still

i hurt
i cry

and how bad

i wish to carve
i wish to cut

and how much

i wish to die
i iwsh to perish

and i say this because

i have lied
i have cheated

so what to i have to do

to die
to perish

please tell me

jacob mckain

Im Always Told

im always told i need to get better
im always told their there for me

but when i need them
the only time they will talk to me

is the times they need me
not when i need them

ive been at this for years
always the one being used
not the one that is being helped

ive tried to hard
for to long

what do you expect for me to do

all i can do is what i do best

hide emotions
hide pain

show nothing but a lie

thats all i am now
is a lie

jacob mckain

Let It Go

im on the brink of an epic melt down
im on the verdge of a flat line

i got a bottle of jack down

so if i let you go
if i let this go

would the scars continue to show
would the pain continue to burrow

jacob mckain

Lies Of God And The World

In this world filled with lies

a false hope
and a false god

is where people turn

when all fades
when all collapses

the weak fall to death

within their prayers
within their so called god

there is nothing but empty words

a false hope
a false god
a false pride

a fake dream
a fake forgiveness
a fake holy man

that is the world
they live in

the most profound lie
taken in as the biggest truth

jacob mckain

Loves End

our love
it died

it died
so tragically

so tradgeicly
it ended

it ended
with no goodbye

with no goodbye
you left

you left
me lying dead

jacob mckain

Missing Her

today
i talked to the one i loved so much

and now
i miss her even more

i dont know
whatever to do though

i want her back
so badly

but how could it
ever be once again

with us
so far apart

how could it
ever work out

but i want her back
because i miss her so dear

jacob mckain

My Promise To You

ever since i left you
my hearth has grown dark and cold
and if i can change this

i hope i will never know
because after what i had done to you
i could never deserve to change

but i promise you
i will not hurt you ever again
and i will hold this promise

by leaving
leaving to my grave
so i can never harm you
or another

jacob mckain

My Tears

i will cry
a thousand times

i will cut
a thousand gashes

all because
i was never enough

i will die
a thousand times

i will say i love you
to no end

all because i wish to be
wish to be yours

my tears
they run

my tears
they fall

all because
everything wasnt

enough

jacob mckain

No Meaning

life as i know it
has no meaning

and love
has no room in my heart

so its time
to let me go

time
to forget all ive done

jacob mckain

Once Again

once again i become the prey
and this time
the prey will win

once again i take the bait
but this time
it wont help you win

once again you target my heart
but this time
it wont break

once again you prepare the attack
but this time
i am ready to fight back

so this time
ill let you go

and this time
will be the final time

so now its time
i leave you behind

and now
youll mean nothing to me

so ill say goodbye
on this
fatefull day

jacob mckain

Pasts Torture

ive have thought about this
a thousand times

ive cut
a thousand cuts

ive cried
a million time

but still
none of this

means anything
to you

so still

ill cry
ill cut

jacob mckain

Ready

im ready
ready for my end

ready
for my time to come

ready
for it to all go away

ready
to slit my throat

ready
to pop those pills

ready
to watch it all fade away

so watch
as i dissapear

jacob mckain

So Long

i cant believe
i held on so long
just to let go

i cant believe
i cared so much
just to hate you in the end

and why
didnt i listen
when they told me
that all love is to you
is a game

jacob mckain

The Becoming Of Whats Feared

im becoming
what ive feared of becoming again

but this time
i know its coming

and this time
i will fight back

and this time
i will conquer my past

i may have lost two
but i still have one left

i still maybe
have one person left

one
who can still help

one
who i can trust

one
who stays strong

jacob mckain

The Love

the love between us
it grows

the love we have
has lasted through all that has happend

but still
i cant get you back

and still
you are

the only one
that has meaning to me

the only one
i can ever care for no matter what

jacob mckain

This Time

this time
the thoughts are reutrning

but this time
i will stop it

before
it can start the habits

i learned
istopped

and i cant
go back

jacob mckain

Thoughts Of The Past

tonight
will be a sleepless night

got everything on mind
all the wrong

everything ive done
everything thats ever gone wrong

just hoping
i can pull through the night

just hoping
i can take it all

just hoping
that the habits dont come back

and wondering
why all this would be on my mind

so here we go
another night

lost in the darkness
that hides within me

thinking
of all those

that have hurt
because of me

and wishing
i were dead

ohh why
cant i just be dead

please let me know
why

why i still hurt
those i love

and why
this all wont end

someone
save me

before
i save myself

jacob mckain

Tired Of It

i grow tired
of everything that haunts me

i grow tired
of thinking about the past

i grow tired
of all that happens

i grow tired
of living at times

so why dont i
just end this all

and no longer
be tired of it all

jacob mckain

Tonight

tonight
i will bleed

tonight
i will carve

tonight
i will die

i do all this
for you

i do all this
because it seems like what you want me to

so farewell i say
and of i go
into eternal darkness

jacob mckain

What Is Love

love
what is it

love
does it even exist

love
where are you

because all i see
is death

jacob mckain

What Went Wrong

i still sit
wondering
where it all went wrong

i still sit
thinking
about how it all ended so soon

i still sit
waiting
for you to come back

i will never
be able to let this go

for you where
my only love

jacob mckain

Where Do I Go Wrong

where i wonder
am i going wrong

where i wonder
am i always messing up

what
drives my mistakes

what
causes me all this pain

im ready
for it to all end

jacob mckain

Why Is It

why is it
after all this time

all my wrongs
all my pain

descides its time to haunt once again

why is it
once i become happy once again

everything in my mind tries to destroy it

i wish

i knew what was wrong with me
just so i can fix this

cause the only way i can think of as a solution
would be death

jacob mckain

Wish I Knew

i wish i knew
that i wasnt worth it before

i wish i knew
what it felt like to be in love

i wish i knew
what a never ending love feels like

i wish i knew
what true love feels like

i just wish
my past would quit haunting me

before my mind
cant take it any longer

i just wish this would happen
before my end happens

jacob mckain

You Have Me

you have me
you have my heart
you have my soul

you had all this from the start

you drive me crazy with love
you bring me happiness
you are perfect in my eyes

so now that you have my love
what are you going to do with it

because what ever you decide
i dont care as long as i have you in the end

i love you
and always will
