Unpredictable True Friendship

To me you are an angle in disguise.
Full of intuition, intelligent and wise.
Always giving and helping through good times and bad times.
You are the best friend I've ever had of all times.

I still remember the first day we met
We were too shy to say much at all
It's funny to think back to that time
Because now we're having such a ball!

They say that true friendship is rare
An adage that I believe to be true
Genuine friendship is something that I cherish
I am so very lucky to have met you.

Our bond is extremely special
It is unique in it's own way
We have something irreplaceable
I love you more and more each day.
