just get at me if u lyk wat i have

Deeper Than Love

what is deeper than love than love itself?

is it flowers

is it compassion

is it peace

is it make believe

is it life

no it`s me

all of me 100% of me

it`s the way i feel

the way i give myself fully to u

and open arms.

Life Is Nothing Without U

if you can not forgive me
then you can not forgive yourself

if you can not belive me
then you can not belive yourself

if you can `t save me
then you can not save yourself

if you can `t see me as i see you
then you can not see youself

if i can `t love you
then you can `t love you

if you can enjoy life
then you can `t enjoy me

if you can `t not understand the world
then you can not understand me
because you are my world, my life
my love, my devotion.
and my joy.

if you can `t show me you care
you love
you belive
you enjoy
you understand
you forgive

then i can `t
love
belive
recieve
enjoy
understand
and forgive
you
