A Brother Like Him

I'M SO LUCKY TO HAVE A BROTHER LIKE HIM! A BROTHER LIKE HIM, WHO I CAN LAUGH AND TALK TO HIM ANYTIME! A BROTHER LIKE HIM WHOM I CAN MAKE NEW MEMORIES WITH HIM! A BROTHER LIKE HIM WHO IS ALWAYS BY MY SIDE! I AM PROUD TO HAVE A BROTHER LIKE HIM NOT BECAUSE OF HIS ACCOMPLISHMENT, BUT BECAUSE OF WHO HE IS! A BROTHER LIKE HIM WHO DOESN'T WANT ME TO CHOOSE WRONG WAYS BUT RIGHT WAYS! YES, HE IS MY ROLE MODEL! ! A BROTHER LIKE HIM WHO ALWAYS TELL'S ME WHAT IS GOOD AND NOT GOOD FOR ME! NOW HE IS FAR AWAY FROM HOME! WE ONLY COMMUNICATE VIA CELL PHONES, AND HEARING HIS VOICE MAKES ME TO MISS HIM EVEN MORE! BUT I HAVE TO WAIT BECAUSE SOON HE WILL COME AND VIST! A BROTHER LIKE HIM.....A BROTHER LIKE HIM.....'MR P 'HE IS MY FIRST 'BIGGY'BIG BROTHER! !

Can Twins Think The Same Way?

Twins are though they are not the one can think negative. The other can think are twins but they are different from each is no one can be same as the other person! You can go all over but you wont find the person who is exactly like apply's to the twins they are not exactly the same, they were born in the same day, the same place and the were counted in the peoples who lives in the world the same date, but those things doesn't make them the same! ! Happy Birth-Day 'sister'

Little keys can open big locks! Small words can put a smile on your face! I hope my simple 'happy birthday' will make you enjoy the rest of the day! A little bit of magic i am sending you today, with wishes that good things will be given to you! I hope all your problems are now in the past! So a very happy birthday my magic now is cast! DO NOT WORK TODAY! Why? because its your birthday..if anyone is complaining....Just say do you know today is the day i was born! So i refuse to work! I hope your birthday is sparkling and bright...From early morning until night..And as you add another year onto your age hope its a good year as each day turn's its page!

Hope

Hope that we can go back where we used to be! Hope that you can stop what you are doing to my feelings! Hope that you can forgive me, even though I dont know what have I done to you! Hope that I was with you and face the challenges of life together! But now things are complicated what can I hope for? Hope for you come back in my life! Well no course the space is full! But if I hope for that I dont think it will be easy for you and me to do that!

Hurt

You hurt me so badly and make me to forget the date of my birthday! You hurt me so badly and make me to forget who I am! You hurt me so badly and make me to forget the goals of my life! You hurt me so badly and make me to forget where I come from! You hurt me so badly and make me to suffer! But I wonder what will it be next, that you will make me to forget!

I'M Sorry

No human being is all make mistakes, yet it is hard to admit that we are wrong! This may sound romantic but it is a bad line to live by! Apologies are block building! Apologies can put things were they were! Saying sorry it doesnt take an hour to say but minutes it does!

Improper

It is disgusting, it is a pain, it is a miracle i have two hearts the one say's i am inlove the other say's i am is a though thing to simplify, it is the same problem as multiplying mixed i know is that after multiplying mixed fraction the answer will be an improper fraction same apply's to my hearts they will give me an improper answer! It Was Hard

It was hard to admit that you are ignoring me! It was hard to accept that you are no more caring! It was hard to believe that you.....You have moved on with your life! It was hard to believe that its over! Like hell I thought that the world is coming to an end! But that time I told my self that, 'nothing last forever' So dont fool yourself thinking that he is yours it wont be hard for me to move on!

My Famille

I am 'non est' my famille! There is 'nil'that can take my love away from my famille! 'Khayalami'its where my heart belongs no matter what! 'Ekhayalami'its full of 'fête's'! When will i get a 'godsend'that will give me 'garatis'days so that i can spend those days with my famille! I have tired to pretend as if like i am not non est my famille! I am working so hard to make my dreams come true, but sometimes its seems like living my famille behind me, its the bad choice i had ever made! Should i let my self to be a 'fiasco'But no every human begin has to succeed in life! I know its so 'douceur'to be with my famille! 'En passant'soon i will spend much time with my famille again!

Now That I Know I Loved Him

Now that I know I loved him, Now when it is already too late! I'm sorry I didn't believe him, Now I don't see him by my side, I miss you, I understand how much I needed he told me he loved me, Something that took so much courage to say, Something I don't have the courage to say! Why didn't I believe him? I am sorry, the friend I loved, Now that I have lost him! Now that I know I loved him. Its all too late! !

Only Him

Only him! came to my life while i was picking up the pieces....I found my self in a dark room, with red walls! and i heard the voice saying to me DONT PANIC RATHER GET COMFORTABLE COZ YOU ARE IN MY HEART...I had never though i 'd truly be loved again! But then he came and showed me that he is there...ONLY HIM! means the world to me..ONLY HIM! rules my heart every single day! ONLY HIM! lives inside my heart and pay's no rent, because love is not about the money! ONLY HIM! holds the key to my heart! HIS spot will never be replaced by anyone! If my heart was able to speak, it could've told you that you have removed sadness and you bought happiness and joy in it! If my eyes was able to display, they could've told you that you have bought tears of joy inside them! they will try everything to stop our happiness, but no matter anybody says or does, you will be in my heart forever! I WILL LOVE YOU FOREVER NO MATTER THE DISTANCE..AS I SAID I WILL LOVE you no matter what happens..<BONGA>

Stop

Stop being lazy! Stop saying that you can't make it! Stop saying that you can't be the winner someday in the race! Stop saying that there are many people in the race! Even if you didn't win the race last year! Now you have a chance to win it! Do to the best of your abilities and hardworking pay's!

Tears

What have I done to deserve all this? Why did you left a spot in my heart? What I had for you it will never die. The time I die remember that my love for you it will never vanish! Why do I have to live like this? A life without you its like a tree without branches! !

Time For Everything

All things that happens in the world, happens at the time God chooses..The is a time of love, and a time of hate! The is a time of sorrows, and a time of joy! The is a time of war, and a time of peace! The is a time of birth, and a time of death! The is a of planting, and a time of pulling out! The is a time to succeed, and a time to fail! The is a time of finding, and a time of loosing! The is a time of smoothness, and a time of rudeness! The is a time to be fast, and a time to be slow! Everything has its own time to happen dont rush, wait for the time to come! BY K.r mafojane

Time Will Pass! !

Life is something that you can't turn! Life is something that you can't fake! Life is something that you can't copy! You live and learn from each mistakes you did! Sunny day's or cloudy skies! Happy greeting's or sad goodbye! So don't sit by and let time pass! Because yesterday it can't be today and today it can't be tomorrow! !

War

Many people die Many people suffer from pains Many people cant go to school
neither to go to MI was better! EARTHQUAKE was even better! DROUGHT was
much better! To be killed by someone its a dont we engage peace in the world
and live the war behind? Why dont we forget about 1st war neither the second
war, and make them the past? Its better to live the past behind because it can
destory you, lets live in peace and in harmony! ! BY KARABO MAFOJANE

Wishing Star(^, ^)

A brightly star that twinkles in the midnight sky! The royal beauty bright star!
The sparkling star like a diamond in the sky! The shining star like a sliver ring
around the finger! The precious star like a bride wearing a wedding dress! The
star that goes to east and west like the spite fire aeroplane! The star that you will
wish to go in side it and look the beautyness of it! The wishing star..star by
