# Kameron Martin(11/21/1997)

I love to write poetry for people and one day i would like to be a famous author.

# Brokenlove

Shattered

Is the road to my heart

Broken

In pieces is my beating heart

My love

doesn't know how I really feel

My wish

Is to be loved by someone who can't love me

Shattered

Is my dream of the one I love

# Cage Of Misery

Trapped in a cage of misery  
The bird songs a sweet lullaby  
Freedom is a wanted name  
Stuck between four walls  
The thought of being different  
Is unacceptable in the cage  
Fear is accompanied by loneliness  
Pools of water fill the eyes  
A song of happiness can't be found  
The pain is unbearable  
Your story isn't heard  
Trapped in the cage of misery  
Waiting on the day  
To spread your wings and fly away

# The Rain

Thump! Thump! Thump! Thump!  
Rain beating on my windows  
Like a drummer playing his drum  
Splash! Splash! Splash! Splash!  
Rain drops slowly making puddles  
The sun is hiding behind the clouds  
Dark shades of gray fill the sky  
Afraid to show it's true inner beauty  
And when things look their worst  
Sunshine comes at last
