Toke Toke

weed weed is my only escape
when i seen that pipe i felt it was fate
i toke
but then i choked toke toke all day long
even hit it from a bong
take a hit oh did you get a bit
of reason spit it out then toke again
break break my pipe
eat the weed
and bake it to
eat the brownies
drink the tea
get high pass out at 4: 00am
wake up at 9: 00am
drink a beer
then toke again
get crossfaed by 10: 00
got to stop got a drug test at 12: 00
FAIL
then toke again toke toke all day long
