Kayelani Aaron(September 21,1988)

Hello, my name is Kayelani Aaron. I'm currently in the U.S. Army and stationed at Fort Plok. LA. Im 21 years old and will a first time mom in January. I'm so excited. One more thing, I write my proems on things that actually has happen in my life.

I Love You

Baby i love you because you were sent to me from the heavens above. I love you because you stepped out of my dreams and gave me new hope and showed the true meaning of love. I love you because you captured my heart, for you are the only one who makes my heart skip beats. I love you bcause of your kiss; it starts a fire down inside of me and makes me yearn for you even more. I love you because my heart is no longer lonely, its filled with the wonderful love only for you. But most of all i love you because you love me and i love you.

I wrote this one for some special

I Miss

As i sit alone in my room, I remember the way you use to hold me tight. The way you said I love you baby. I miss the way you wipe my tears that fell everytime I cried. I miss your tender, strong arms once wrapped around to comfort me. I miss the way you use to make me smile when i was feeling sad and blue. You always knew the words to say. I try so hard not to miss you as bad as i do. I tell myself I'm over you when deep in my heart i'm missing you like crazy. I try to think of other things, but you are always on my mind. At night when im alone, I try not to cry, but just a thought of you brings tears to my eyes. I never thought i would miss you as bad as i do.

My Betta Half

I know 6 months might not be long, but you've inspired me to write this poem:

When I wake in the morning you are the first thing on my mind (just to let you know) . To me your love is like no other (and thats from the heart) . I pray that you'll never let me go, cause with you there is no better place. I know that I have messed up in the past, and I regret it. I was just inscure (thats no excuse, I know) . My love for is real and runs deeper than any ocean (I hope you know) . I never thought love could be so true until I met you. You opened my eyes and showed me the meaning of true love. I'm so thankful that I found you. I'm so glad that something like this took place.

Who Are You

A mother is what you say you are, but in my eyes you're nothing but just some random person I never knew. You same time and time again you love me, but your actions are showing me otherwise. ALL I EVER WANTED WAS FOR YOU TO SAY THAT YOU CARE AND THAT YOU'LL BE THERE NO MATTER WHAT. IS THAT TOO MUCH TO ASK? I feel as if you regret having me, your child, your own flesh and blood. Abandon and betrayed is how I feel, but you don't care not one little bit. CAN YOU NOT SEE THE PAIN YOU'VE CAUSED? The pain surrounds me each and every day. It never goes away. Its a pain that been stuck in my heart for so many years, that I was scared to let anyone near or have my heart, an it hurts. You're suppose to be my mom, my friend, and shelter from all harm, but now it's clear to me that you never loved me, you just told me things that I wante to hear. SO IMA TELL YOU WHAT YOU DON'T WANT TO HEAR. YOU'RE NOT MY MOTHER, YOU'RE A STRANGER THAT ONLY CARES ABOUT YOURSELF AND WHAT YOU CAN GET OUT OF LIFE! ! ! So I just have one question 'WHO ARE YOU? '
