Everyone doesnt take care of themselves

Everyone either changes for a person or just give in

Girl give in really easy just to get the guys attention

Guys are player all they want is one thing that have sex with you..

Everyone is soo easy it doesnt matter if u think soo that ur not but really you are..

everyone easy when say it the first date im not going to sleep with him or her.. I dont care what everyone say everyone is easy at some point in life to get with or for attention..

One day that person is going to get hurt and when they do they will realize they were to easy

# I Closed My Eyes! ! !

I closed my eyes  
and when i open  
them you were next  
to me. I closed my  
eyes and when I open  
then you had your arm around  
me. I closed my eyes and i thought  
what am I doing i just met him?  
I open my eyes and thought whatever  
I closed my eyes to go to sleep  
and you were next to me  
I open my eyes and you were still  
their. I closed my eyes and thought I just had the best night of my life..

# I'M Sorry I Can'T

I'm Sorry I can't

I just don't want to be hooked on it

I just don't want to do drugs

Drugs are bad what don't you understand about that?

I want a life I don't want my life just to be about drugs

no go away I will never do that

no

no

no

no

no go away I will never do that

I'm sorry I want a life

you people that think those drugs

are cools you probably don't know?

# The Tiny Key

I had closed the door upon my heart,  
And wouldn't let anyone in,  
I had trusted and loved only to be hurt  
but, that would never happen again.  
I had locked the door and tossed the key  
as hard, and as far as I could,  
Love would never enter there again,  
My heart was closed for good.  
Then you came into my life  
and made me change my mind,  
Just when I thought that tiny key  
was impossible to find.  
That's when you held out your hand  
And proved to me I was wrong,  
Inside your palm was the key to my heart.  
You had it all long.

# Why

Why

Why do you have to live in another state?

Why do you have to live a million miles away?

Why can't I be their and you can Hold me in you arm

and I can be a inch aways instead of being a thousand of inches and feet away..

Why I just don't get it

why I want to be their now not then

now matter how long it take for us to get to be a inch away I will love you then

and now..

Why can't I lay with you and fall asleep with you next to me telling me you love me why

i just dont get

Dont give you one day ill be their sooner or later

# You Give Me Pain

You give me pain

You give me pain when you think that drugs are cool

you give me pain

I have no pain because i want to be drug free like you  
should be too

Drugs are bad it gives you pain just thinking it cool

I have no pain because I dont do drugs like you do

You have pain because you brought something in your life  
that is hard to get hel for it

Your parent have pain seeing you do drugs and you think  
it soo cool but its not it wasting your life what don't you  
understand drugs are not cool if you dont do it you will have  
no pain

if you do drugs you will be loosing you family, friends, Boyfriend/girlfriend  
because you give them pain to
