I m a strange stranger

# I Hate Love

u enters in my life as stranger  
u disturbed my innocent life  
u makes someone to like me  
u destroyed my real smile  
u killed my heart  
u smashed my life  
u made me to act with my fake smile and to cry in heart  
u made me to wait me for my death  
now u made me as a stranger to all.

# Life Without Love

Without love my life is a sea without water, tree without leaves, moon without shine, night without stars, a cute girl without smile.

# My Love On U

My life is like a river which flows ever

U are my lover I loves u forever

Sun rises and set everyday but my love on u rises and never sets

Though I die my love on u never die and it always with u till the love ends in universe
