# ladey dark()

I never thought I'd die alone  
I laughed the loudest who'd have known  
I traced the cord back to the wall  
No wonder it was never plugged in at all  
I took my time, I hurried up  
The choice was mine, I didn't think enough  
I'm too depressed to go on  
You'll be sorry when I'm gone

I never conquered, rarely came  
16 just held such better days  
Days when I still felt alive  
We couldn't wait to get outside  
The world was wide, too late to try  
The tour was over we'd survived  
I couldn't wait till I got home  
To pass the time in my room alone

I never thought I'd die alone  
Another six months I'll be unknown  
Give all my things to all my friends  
You'll never set foot in my room again  
You'll close it off, board it up  
Remember the time that I spilled the cup  
Of apple juice in the hall  
Please tell mom this is not her fault

I never conquered, rarely came  
But tomorrow holds such better days  
Days when I can still feel alive  
When I can't wait to get outside  
The world is wide, the time goes by  
The tour is over, I've survived  
I can't wait till I get home  
To pass the time in my room alone
