# Through A Dragons Eye

through a dragons eye it awaits to conqer ready to recive it's fate skyving diving  
through the air ready to catch the bait how long will it have to wait until the fire  
crips the bait

I heard they were not real but to others they were legends that bought many  
pleasures into the land of kosovans or mabye here in britan where we await

# To My Father

fathers are unreplacable they're like crystal's gold or dimes  
take good care of them as they have done you  
if you look after your peice of gold when your skint there lies the fortune  
never fall out with your father as for he could die tomorrow and you would live  
the rest of your life in sorrow  
fathers are the best things since sliced bread cause one halves for you the other  
halves for them
