I Have Learned.....

I've learned -
that you cannot make someone love you.
All you can do is be someone who can be loved.
The rest is up to them.

I've learned -
that no matter how much I care,
some people just don't care back.

I've learned -
that it takes years to build up trust,
and only seconds to destroy it.

I've learned -
that it's not what you have in your life
but who you have in your life that counts.

I've learned -
that you can get by on charm for about fifteen minutes.
After that, you'd better know something.

I've learned -
that you shouldn't compare yourself to the best others can do.
but to the best you can do.

I've learned -
that it's not what happens to people that's important.
It's what they do about it.

I've learned -
that you can do something in an instant
that will give you heartache for life.

I've learned -
that no matter how thin you slice it,
there are always two sides.

I've learned -
that it's taking me a long time to

become the person I want to be.

I've learned -
that it's a lot easier to react than it is to think.

I've learned -
that you should always leave loved ones with loving words.
It may be the last time you see them.

I've learned -
that you can keep going
long after you think you can't.

I've learned -
that we are responsible for what we do,
no matter how we feel.

I've learned -
that either you control your attitude
or it controls you.

I've learned -
that regardless of how hot and steamy a relationship is at first,
the passion fades and there had better be
something else to take its place.

I've learned -
that heroes are the people who do what has to be done
when it needs to be done, regardless of the consequences.

I've learned -
that learning to forgive takes practice.

I've learned -
that there are people who love you dearly,
but just don't know how to show it.

I've learned -
that money is a lousy way of keeping score.

I've learned -
that my best friend and I can do anything

or nothing and have the best time.

I've learned -

that sometimes the people you expect to kick you
when you're down
will be the ones to help you get back up.

I've learned -

that sometimes when I'm angry
I have the right to be angry,
but that doesn't give me the right to be cruel.

I've learned -

that true friendship continues to grow,
even over the longest distance.
Same goes for true love.

I've learned -

that just because someone
doesn't love you the way you want
them to doesn't mean they don't love you
with all they have.

I've learned -

that maturity has more to do with
what types of experiences you've had and
what you've learned from them
and less to do with how many birthdays you've celebrated.

I've learned -

that you should never tell a child
their dreams are unlikely or outlandish.
Few things are more humiliating, and
what a tragedy it would if they believed it.

I've learned -

that your family won't always
be there for you. It may seem funny,
but people you aren't related to
can take care of you and love you
and teach you to trust people again.
Families aren't biological.

I've learned -
that no matter how good a friend is,
they're going to hurt you every once in a while
and you must forgive them for that.

I've learned -
that it isn't always enough to be forgiven by others.
Sometimes you have to learn to forgive yourself.

I've learned -
that no matter how bad your heart is broken
the world doesn't stop for your grief.

I've learned -
that our background and circumstances
may have influenced who we are,
but we are responsible for who we become.

I've learned -
that sometimes when my friends fight,
I'm forced to choose sides even when I don't want to.

I've learned -
that just because two people argue,
it doesn't mean they don't love each other
And just because they don't argue, it doesn't mean they do.

I've learned -
that sometimes you have to put
the individual ahead of their actions.

I've learned -
that we don't have to change friends
if we understand that friends change.

I've learned -
that you shouldn't be so eager to find out a secret.
It could change your life forever.

I've learned -
that two people can look at the exact same thing

and see something totally different.

I've learned -
that no matter how you try to protect
your children, they will eventually get hurt
and you will hurt in the process.

I've learned -
that there are many ways of falling
and staying in love.

I've learned -
that no matter the consequences,
those who are honest with themselves
get farther in life.

I've learned -
that no matter how many friends
you have, if you are their pillar
you will feel lonely and lost
at the times you need them most.

I've learned -
that your life can be changed in a matter of hours
by people who don't even know you.

I've learned -
that even when you think you have no more to give,
when a friend cries out to you, you will find the strength to help.

I've learned -
that writing, as well as talking,
can ease emotional pains.

I've learned -
that the paradigm we live in
is not all that is offered to us.

I've learned -
that credentials on the wall
do not make you a decent human being.

I've learned -
that the people you care most about in life
are taken from you too soon.

I've learned -
that although the word 'love'
can have many different meanings,
it loses value when overly used.

I've learned -
that it's hard to determine where to draw the line
between being nice and not hurting people's feelings
and standing up for what you believe.

I've learned
that no matter how fast or how far you go,
you can't out run your problems or God.

I've learned
that love is not for me to keep,
but to pass on to the next person

I've learned
that even if you do the right thing for the wrong reason,
it's still the wrong thing to do.

I've learned
that sometimes you follow your heart
and it takes you to wonderful places.

I`ve Got A Secret!

I've got a secret! Oh, I've got a secret!
But I made a promise I wouldn't repeat it.
I've got a secret! Yes, I've got a secret!
But I took an oath and I vowed I would keep it.

Nothing and no one can make me reveal
this wonderful secret I swore I'd conceal.
No form of torture can make me disclose,
this secret I promised I wouldn't expose.

From now until doomsday my secret I'll keep;
I won't breathe a whisper or utter a peep.
Unless you assure me that you'll keep it too -
then maybe, just maybe, I'll share it with you.

Super Secret Agent

I'm a super secret agent.
I'm an undercover spy.
I'm the world's best detective.
I'm the perfect private eye.
I'm a Pinkerton, a gumshoe,
I'm a snoop and I'm a sleuth.
I'm unrivaled at detecting
and uncovering the truth.

I've got eyesight like an eagle.
I've got hearing like a bat.
I can out-smell any bloodhound.
I'm as stealthy as a cat.

I can locate nearly anything
with elementary ease.
But no matter how I search and search
I still can't find my keys!
