# Oh! My Dear Humanity

Oh! My dear humanity! How are you  
Are you well? Thinking any other purpose new?  
We are not so happy in the world, in our life  
Anxiety always hitting us, like a surf knife.  
Oh! My dear humanity! Where are you living now  
Why you avoid us, how can do you how?  
Man we are living in the world, what's situation  
Do you thinking, our today's position?  
Poor and simple man, always suffering uneasy and anxiety  
They have no peace, cloths, food, medicine and land property.  
Many man are living footpath, hillside and near rail station  
They have need house, security and peaceful position.  
Baby shouting! Oh! My mother, we want to live  
We are hungry and sick, milk, food, medicine please give.  
Country to country, are heavy fighting in the world  
No more fight, no more damage, nobody say called.  
Day by day when poor farmer, spot dead of border firing B.S.F  
Nobody protest any country, nobody proceed to help.  
Country to country manufacturing, destructive arms, atom to cruel attack  
Nobody say, no more damage, lets come we proceed to peaceful jack.  
No more blood man to man, stop it! And stop!  
Humanity is the best policy, nobody say it's a top.  
Oh! My dear humanity! I am requesting you, proceed on seriously,  
No more late and more silent, attempt quickly.
