# Beautiful Break-Up

Regrets?

Yeah, I've had them

Contentment? ?

Been there, done that, got the memories to prove' em

Lonely? ? ?

I mean, yeah we had a long run

And some great times together

But you and I both Know I was never 'THE ONE '

For three days I was gone

By then you were already with another

Its funny how we both moved on

Without one another

I know you'll say I ruined ur life

But let me tell you, hun

The damage is only being done by you

Nadia J. Pamphil

# Beautiful Sin

Sometimes I think of you  
Day and night  
Sometimes I dream of a world  
At ur side  
Sometimes I think of a song  
Only for you and I  
sometimes I see myself  
In ur eyes  
Sometimes I feel the need of ur lips on mine  
Sometimes I feel the need of ur body  
Next to mine  
Sometimes I feel cold and empty  
waiting for ur stillness  
Sometimes I ache for you  
Though I know I belong to another And we'll never be

# Compare And Contrast

You:

Loving U is a pleasure

Kissing U is a thrill

Having U is an honor

Keeping U is a dare

Hating U is a skill

Losing U is a scare

Me:

Loving me is a challenge

Kissing me is passion

Having me is one chance

Keeping me is tough

Hating me is unlikely

Losing me is easy

Us:

Together we're an adventure

Together we're unstoppable

Together we're lovers

# Dance With Me

Dance with me under the moonlight.  
Dance with me to your favorite song.  
All I ask is for you to dance along  
with every beat of my heart.  
My love for you is like an art  
An art which you design.  
Its limit is the sky  
for when it touches it  
it shines so bright.  
For I, only yours  
And you only mine.  
My heart beats for you  
my body craves you.  
With you I've experienced many things  
but the beautiful of all I've learned to love again.  
I love you  
That's the truth.  
so, all i ask in return is one dance with me  
under the moonlight or not.  
I'm your star and you're my every wish.

# Forever

&lt;/&gt;You, me

together

forever.

Me, you

forever

and ever.

We laugh

We play.

we talk, enough said.

Forever, me and you

Thick and thin, you and I

Forever by your side.

# I Cry...Sometimes

Sometimes I cry  
A cry so bitter and sweet  
Sometimes I hide  
I hide to shut out the world  
Sometimes I smile  
A smile to get through the pain  
Sometimes I laugh  
I laugh for all the world to see  
Sometimes I dance  
I dance just to let go  
Sometimes I sing  
A song just for you and me  
Sometimes I see  
A world so cruel and brute  
Sometimes I sense  
A feeling oh so pure and immense  
Sometimes I hear  
Violence and laughter together as one  
Sometimes I fear  
One you'll be gone  
But do you really know how I feel? ?  
Sometimes I feel as though the world stops  
and spins madly on  
Sometimes I feel like letting everything drop  
And run toward you

Nadia J. Pamphil

# I Love

&lt;/&gt;Its the way I feel when you do what you do to me  
Its the way I feel when you say what you say to me  
I love how I feel when ur near me.  
I love how fit in your arms  
I love that I can be me with you  
I love that I can trust you.  
I love that I'm scared of losing you  
I love that I'm afraid of falling for you.  
I love the way you love me  
I love the way you kiss me.  
I love it when I'm feeling a little bit jealous because of you  
(even though I hide it from you)  
But most importantly I love you! ! !

Nadia J. Pamphil

# I Love You

I love you  
Its just three little words  
Behind every I love you's  
There is tenderness  
I love you  
Its just eight letters  
Each 'I love you"  
Holds a meaning  
I love you  
Each I love you  
Has six vowels  
And two consonants  
I love you  
Its just three little words  
But look beyond  
U'll find joy, beauty  
And delicacy

Nadia J. Pamphil

# I See You

Do u see me? ?  
I see u wherever I go  
Ur always on my mind don't u know  
I am here with u, can't u see? ?  
Everywhere I go its u I see  
I try to hide but there u are  
I do believe we're a linked heart  
I wanna believe that ur not far  
I am afraid that one day u might be gone  
and with my soul u'll go  
I am afraid to love, I am afraid to care  
Its selfish I know but life's unfair  
Though my heart beats for u and love is all I feel  
I love u so that's the truth  
So I wonder what would I do without you  
Cuz everywhere I go  
Its u I see

# Like Mother, Like Daughter

In every M  
There' s an N  
In every brown  
There's ur eyes staring back at me  
In every you  
I see me  
In ur Heart  
I hear laughter  
In ur eyes  
I see sorrow  
In ur laugh  
I hear pain  
As for your tears  
They fall like rain  
In the stars  
I bid you a great tomorrow  
In the mirror I look  
Ur face is all see  
In every me, I see you  
In every you, I see me  
In all my Heart  
YOU beats

Nadia J. Pamphil

# Lustful Love

Love or Lust  
Its always one  
Or the other  
Do you think both go together? ?  
Sometimes I think they can  
Other times I don't  
Where you can't live without love  
You can live without lust  
In Love there's trust  
In lust you find deceit  
I wonder if this is love or lust  
Though I feel both  
I know it can't be  
For I know in my Heart  
You're not here to stay

Nadia J. Pamphil

# Teach Me

Teach me  
Teach me how to love  
Teach me how to be a lover  
Teach me how to be loved  
Teach me how to care  
Teach me how to be fair  
Teach me how to be nice  
Teach me to be myself again  
Teach me how to be a friend  
Teach me how to trust  
Teach me to sing and dance  
Teach me how to be ur lover  
Teach me how to be ur hearts desire  
Show me how to start a fire  
show me my reflection...show me the real me  
And i'll teach, show and give U everything U need

Nadia J. Pamphil

# The Courage To Write

I have something inside me  
I have something to say  
I just want you to listen  
I want to be heard  
Will no one hear my plea?  
Will no one look my way?  
I have no courage to speak  
But I still have so many things to say  
I've no strength  
I can't fight back for I don't know how  
I can't look back nor forward for i've lost my way  
I don't know what to do for i've lost all my senses  
I can't tell this to no one for no one will listen  
So, all I have in life  
Is the courage to write for writing gives me hope  
And makes me feel alive

Nadia J. Pamphil

## U Are...Aren'T You? ?

Ur my secret weapon  
Ur my secret crush  
Ur my love song  
Never thought I could love this much  
U've shown me a new way to see the world  
I look at you and say  
'Im glad to be ur girl'  
I know sometimes act like I don't care  
But know this  
Deep inside im dying to be ur every dare  
Why don't I hate you?  
Why can't I be mad at you?  
Is it because of the way you see me?  
Or is it because if the way you brighten my smile?  
Either way U are my muse

Nadia J. Pamphil

# Wonders

Sometimes I sit home all alone  
Gazing up at the night sky  
Searching for the stars  
Wishing U were by my side  
And today's no different  
even I now know ur here  
I just can't help but wonder  
I wonder if you think of me  
As much as I think of you  
I wonder if you miss me  
As much as I miss you  
I wonder if you love me  
The way I love you  
Or exactly like I want you to  
Guess i'll never know  
So, ill just keep on looking  
Share my secret with the stars  
And send you my love through the moonlight sky
