# Charity

Some - to increase their wealth;  
Some - to decrease their issues of health;  
Some - in search for being happy and  
Some - in want of a baby;  
Few in want of a job and  
Few to reduce their stress  
                Pray the Almighty  
And I -  
In want of Equality.

# Longitudinal Lives

Going where it takes  
Making yourself fake  
Is that a life?  
Asks my wife.  
Wanted to be a doctor,  
Was a writer,  
Now a painter,  
What next?  
Not gonna worry:  
Even becoming a porter,  
Unless being a pauper

# Miserable Fans

"Hey! A Sixer! ", shouted Raj happily  
"No yaar, just a four", said Ram miserably  
"Silent guys, watch out for the next ball", screamed Ravi  
Time to work found nowhere;  
Fans, fans everywhere;  
Miserable fans everywhere.  
"Hema! He's here! He's here! "  
"Who Mama? " - doubted Hema;  
"The Shining Star! " answered Mama;  
Flies away Hema bidding her homework tata.  
Fans, fans everywhere;  
Miserable fans everywhere.  
What was, for time-pass,  
Now becomes a pause  
For the nation's development:  
Fans, fans everywhere;  
Miserable fans everywhere.
