# A Cried President

## A CRIED PRESIDENT

There is a wailed and tears in the sky  
That never will be still,  
Like the voice of a lonely bird  
It rolled upon his contour  
Behind a starry hill.

Will it be a cried we shall pay?  
For what I may not know  
An infinite crying of desire to reap  
Our feet are slow, since we risen.  
Who bewitched you, oh Africa?

My eyes are weak to behold  
The blood Sunday sermon  
It is the universe wailing I seen  
Will it be a cried we shall pay?  
For what I may not know  
An infinite crying of desire to reap.

# Mortal I Am

Whom the earth Want  
He should lived?  
One day  
I will return  
This incorruptible body  
I was lend with.

Isn't an envy a witchcraft?  
One day  
This tale  
Wouldn't be heard  
In the square.

# Never Give Up

Given up?

Given up?

What you gonna do now?

When all the hopes are gone

Keeping movings (never quit)

You gonna find it there

The golds you are searching for.

The sky is wide

For all the birds to fly

Fix your star

Where you want it shine.

whom the earth agreed

He should lived?

Favor comes to a man

Who haven't faded mind.

Keeping movings (never quit)

You gonna find it there

The golds you are searching for.

God forbid

I should wandered

In realms of the spirit.

whom the earth agreed

he should lived?

The sky is wide

For all the birds to fly

Fix your star

Where you want it shine

Keeping movings (never quit)

You gonna find it there

The golds you are searching for.

# Do You Remember?

Remember...

There is an end

To all toiled and cravings

The past and it's future

Wouldn't be wailing for.

Who seemed to understand?

Whom want to been chastened?

Many applause lead to leprosy.

Remember...

There is an end

Good or bad,

Every deeds shall be sieve indisputable

# If We Vote Wisely

If we vote wisely  
We wouldn't  
Have wailed and dirge.

Quest for noble is hard?  
What a deafened silent colony  
But who bewitched us?

If we vote wisely  
We wouldn't have  
Sat on the edge  
Awaiting the cock to crow

Vote did not count  
You roared.  
But to whom you casted  
Your lot?

If we vote wisely  
Our garments wouldn't have  
Rolled in blood  
And cropped our diamonds in fears.

What's wrong  
Wrong with us  
Either north or south  
East or west we are one.

# Cane Cattivo

Sordo e muto come  
Una notte sorda e silenziosa  
Non ha mai saputo  
Quando i ladri hanno invaso  
Abbaiano al vuoto.

Cane cattivo  
Un ozioso è unto alla povertà  
Quando rotolerai il loro materasso a pelo?  
Amante del sonno

Sopra perso ai suoi nemici.

Un avido cane cattivo  
Non avendo mai abbastanza come una tomba  
Trascorrere il tempo bello  
sulle ossa.

Ruggito come un mare di guai sradicato  
Con insolito abbaiano crudele  
Salivare per un pasto da lontano.

Un pastore  
che regna per suo comando  
non sa  
come i giorni sono invecchiati

Di notte, abbaia la giumenta  
all'aria svuotata  
come un comandante senza guerra.  
Quando  
Rinunciare a questo riposo?

Ojeikpo A. Elijah

# Chien Naughty

Sourd et muet comme  
Une nuit silencieuse et assourdie  
N'a jamais su  
Quand les voleurs ont envahi  
Aboyant dans le vide.

Vilain chien  
Un oisif est voué à la pauvreté  
Quand rouleras-tu ton tapis de couchage?  
Amoureux du sommeil

Perdu face à ses ennemis.

Un chien méchant et avide  
N'ayant jamais assez comme une tombe  
Passez du bon temps  
Sur des os.

Rugissant comme une mer agitée  
Avec des aboiements inhabituels et cruels  
Saliver pour un repas de loin.

Un berger  
Qui règne par son propre commandement  
Ne sait pas  
Comment les jours ont vieilli

La nuit, la jument aboie  
A l'air vide  
Comme un commandant sans guerre.  
Quand allez-vous  
renoncer à ce repos?

# If I Die Before I Crawl

Envy and hatred  
Are witchcraft  
Died rich or poor  
In nakedness still counted the mortals.

Parents are so expected  
they demand the baby to get  
down on all fours  
Crawl and rises unto the awaiting sky

If I die...  
Before I crawl  
Many will deny I was born  
Though I had seen the rising sun

Could my soul roam here after?  
Roaming the realm of spirit  
Will the earth agreed I lived?  
And my foes will reap their sow?

Who remember the dead?  
The God created the death beside life  
Life would be unfair  
Having refused to crawl but cradle to the grave.

If I die...  
Before I crawl  
Before the cock crow.  
Would my garment be drench  
With crimson tears for still born

Ojeikpo A. Elijah

# Don't Cry For Me...

For every souls are Unto dead  
No one has a short coming  
Labours and toiled are for the mortals.  
I had cried my crying  
Don't stand on my grave  
And cry for me if I die.

Would I afraid of a cloak of  
The nightmares?  
The roaring Lion doesn't hurt  
But fears killed it's preys.  
My son  
Fear is a cheapest weapon to conquered a fool.  
I had cried my crying  
Don't cry for me if I die

Who had not sinned  
Should first cast a stone  
But the preacher exclaimed  
The souls that sinneth shall die.  
Father, why all souls dying?  
Why are the wickeds tarry  
To bade the night to her bed?  
The righteous are like the sinners?  
I had cried my crying  
Don't cry for me if I die

What a man can boast of?  
A worths of Silvers or golds?  
Life he had it a borrowed  
A talent that cannot be stored  
What Worth's a life then, father?  
People forgot you once you die  
How more beautiful a women  
She is most capable to tell a lie.  
Don't stand on my grave and weep  
I had cried my crying  
Don't cry for me if I die

# Naughty Dog

Deaf and dumb like  
A deafened silent night  
Never knew  
When the thieves invaded  
Barking at a void.

Naughty dog  
An idle is Unto to poverty  
When will you roll they sleeping mat?  
Lover of slumbers  
Over lost to it foes.

A greedy naughty dog  
Never having enough like a grave  
Spend pretty time  
On bones.

Roared like an uproared trouble sea  
With unusual cruel barking  
Salivate for a meal from afar.

A Shepherd  
Who reigns by his own command  
Knoweth not  
How the days grew old

At night, it mare barks  
At emptied air  
Like a commander without a war.  
When will you  
Going to give up that rest?

Ojeikpo A. Elijah

# Okpecho

Roll and roll  
Like a form master  
Ready to call the roll call  
She cuddle the sky

Okpecho...  
Boldly you spread like a mat  
Against the sleeping roof of heaven  
Drunk in love most at August

Okpecho...  
A perennial EGBE fountain  
Swung like a roar warrior  
Unto uproar battle

Okpecho...  
Ancestral sacred pool  
Roll and roll  
On your thighs every child grow  
An Oracle of life

Okpecho...  
Cloud is your sleeping mate  
August the month you cheer  
Clear and crystal  
Distinct among others

Okpecho...  
Your song beat the shore of thirst  
Link heart Unto heart  
And with your might hands  
You snake over to ocean

# Little Bird

Little bird little bird  
Sitting on the wall  
Weary and worried  
Eyes squinted unto the distant land  
When will your mother comes back?

Little bird little bird  
The night have comes and gone  
Would her return?  
The market had closed  
You are waited on this mountain for long  
The days are grew old bade you bye.

Little bird little bird  
Sitting on the wall  
The life is not what we thought  
It like child on the swing quest for balancing  
Either sweet or honey?  
Its also equal to a bitter lemon.

Little bird little bird  
Sitting on the wall  
Let me console you before my nest broken  
We are all weaved in web of mortality  
When tomorrow comes  
Our tears shall all fall either  
Life on earth is but awhile

Little bird little bird  
Sitting on the wall  
Who seem to understand?  
Who want to be chastened?  
We shall all be rewarded  
In full measures whether good or bad

# Last Kiss

Last wasn't a lost  
Neither defeat a conquered  
Goodbye  
Mean nothing at all

Last kiss always the longest  
It's like when the bees swing  
But, goodbye  
Mean nothing at all

Tomorrow is not a promise to anyone  
Young or old are alike  
Last kiss last hug  
Quest to help last of its kind

# Salva Il Mio Sangue

Salva il mio sangue  
Potresti averne bisogno domani  
Quando i fiumi  
Tutti si prosciugano fino alla riva

Salva il mio sangue  
Potresti averne bisogno domani  
Se non hai nemici  
Allora non hai un amico

Risparmia il mio sangue  
Potresti averne bisogno domani  
Chi si preoccupa di capire  
L'orgoglio è una rovina umana  
Mantello travestito della sua specie

Salva il mio sangue  
Potresti averne bisogno domani  
La vanità è nascosta nel tempo  
Figlio mio  
Anche nel miele ci sono amarezze

Salva il mio sangue  
Potresti averne bisogno domani  
Riempi la spada  
Se dobbiamo morire, muori in modo degno

Ojeikpo A. Elijah

# Save My Blood

Save my blood  
You might need it tomorrow  
When the rivers  
All dry to its bank

Save my blood  
You might need it tomorrow  
If you have no foes  
Then you haven't have a friend

Save my blood  
You might need it tomorrow  
Who cares to understand  
Pride is a human ruins  
Cloak in disguise of its kind

Save my blood  
You might need it tomorrow  
Vanity is hidden in the time  
My son  
Even in the honey there are bitters

Save my blood  
You might need it tomorrow  
Seattle the sword  
If we must die, die a worth kind

# Noi Siamo Uno

Dimmi perché sono del Nord  
Dimmelo perché sono del Sud  
O est o ovest  
Noi siamo uno  
Maglia e tendini in un unico sangue  
Cosa c'è di sbagliato in noi

Dimmi perché sono nero come il carbone  
Dimmelo perché sono bianco come un angelo  
Il tuo sorriso, i miei sorrisi

Le tue pene sono le mie agonie e i miei dolori.  
Cosa c'è di sbagliato in noi

La Nigeria è la nostra casa  
Un pegno sacro che cantiamo  
Buon popolo, buona nazione  
Noi siamo uno  
Trattiamoci l'un l'altro  
Allo stesso modo  
Cosa c'è di sbagliato in noi

Tutto ciò che predichiamo  
Amore e pace  
fluisce come una brezza mattutina  
Nel nostro cuore senza arti  
Noi siamo uno  
Cosa c'è di sbagliato in noi

Dimmi se fossi...  
Mi lasceresti entrare?  
Mi metteresti fuori come preda?  
Libertà alla libertà  
Braccia nelle braccia, in uno  
Steso come una nuvola.  
Balleremo la nenia songo  
Dimmi perché sono del Nord  
Dimmi perché sono del Sud

O est o ovest  
Noi siamo uno  
Maglia e tendine di un solo sangue

Dimmi perché sono nero come il carbone  
Dimmi perché sono bianco come un angelo  
Noi siamo uno  
Il tuo sorriso, i miei sorrisi  
Le tue pene sono le mie agonie e i miei dolori.

La Nigeria è la nostra casa sacra pegno  
Buon popolo, buona nazione  
Noi siamo uno  
Trattati l'un l'altro  
Allo stesso modo.

Tutto ciò che predichiamo  
Amore e pace  
Fluisce in  
Nel nostro, il cuore senza arti  
Noi siamo uno  
Fino a quando le due cifre sono competitive hub.

Dimmi se io fossi -  
Mi lasceresti entrare?  
Mi metteresti fuori come preda?  
Libertà alla libertà  
Braccia nelle braccia, in uno  
Disteso come una nuvola.

Balleremo il canto della nenia  
Non più ma di gioia  
Noi siamo uno  
Strimpelliamo le nostre strade verso il cielo  
Finalmente, ultimo della sua specie  
Siamo arrivati.

# Somos Uno

Somos uno

Dime porque soy del Norte  
Dígame porque soy del Sur  
O este o oeste  
Somos uno  
Tejido y nervio en una sola sangre  
Qué es lo que nos pasa

Dime porque soy negro como el carbón  
Dime porque soy blanco como un ángel  
Tu sonrisa, mis sonrisas

Tus dolores son mis agonías y penas.  
Qué es lo que está mal mal con nosotros

Nigeria es nuestro hogar  
Una promesa sagrada que cantamos  
Buena gente, buena nación  
Somos uno  
Tratémonos los unos a los otros  
Los iguales  
Lo que está mal en nosotros

Todo lo que predicamos  
El amor y la paz  
Fluye como la brisa de la mañana  
En nuestro corazón sin extremidades  
Somos uno  
Que es lo que nos pasa

Dime si yo fuera...  
¿Me dejarías entrar?  
¿Me pondrías como presa?  
Libertad a la libertad  
Brazos en brazos, en uno  
Estirados como una nube.  
Bailaremos el songo de dirge

Dime porque soy del Norte  
Dime porque soy del Sur  
O este o oeste  
Somos uno  
Tejido y nervio en una sola sangre.

Dime porque soy negro como el carbón  
Dime porque soy blanco como un ángel  
Somos uno  
Tu sonrisa, mis sonrisas  
Tus dolores son mis agonías y penas

Nigeria es nuestro hogar sagrado  
Buena gente, buena nación  
Somos uno  
Nos tratamos mutuamente  
Los iguales.

Todo lo que predicamos  
El amor y la paz  
Fluye en  
En nuestro, el corazón sin extremidades  
Somos uno  
Hasta que los dos dígitos sean competitivos.

Dime si fuera -  
¿Me dejarías entrar?  
¿Me pondrías como presa?  
Libertad a la libertad  
De brazos en brazos, en uno  
Estirados como una nube.

Bailaremos la canción sucia  
No más sino de alegría  
Somos uno  
Retorcemos nuestros caminos hacia el cielo  
Por fin, el último de su especie  
Hemos llegado

# Terre Fountainhead'

Je n'étais qu'un enfant  
Je ressens une brise extramoderne et profonde  
D'une Romance apexique  
Des ponts pour me mettre au fond  
Dans la porte intérieure à travers  
L'orbe de la passion non partagée  
Bien qu'il y ait encore des coûts à payer

Comme un enfant  
Ce qui traversait mon cœur était  
La caresse rythmique de la mélodie  
Maisch d'amour et un rayon de plaisir joyeux  
Nous jouions aux échecs ensemble

Les rêves que nous avons faits  
On s'attarde sur sa cuisse luxueuse  
Jusqu'à ce que mes étoiles soient appelées à gagner  
Avec une douce romance  
Geste d'une terre lointaine  
Jusqu'à ce qu'un œuf marche

Ojeikpo A. Elijah

# Tierra Lejana

Sólo era un niño  
Siente la brisa extramadamente profunda  
De un romanticismo ápice  
Puentes para ponerme en lo profundo  
Dentro de la puerta interior a través de  
El orbe de la pasión no correspondida  
aunque todavía hay costes que pagar

Como un niño  
Lo que a través de mi corazón era  
La caricia rítmica melodía  
Butch de amor y un rayo de diversión jully  
Jugamos juntos al ajedrez

los sueños que soñamos  
Tardar en su muslo lujoso  
Hasta que mis estrellas se ganan por señas  
Con un dulce romance  
Gesto de una tierra lejana  
Hasta que un huevo camine

# Sunita

Sunita, sunny like the rising sun,  
From the hive of the eastern palace  
My star rises yellow like a royal rose  
Clothed in, in a seraphic robes.

Sunita, so nectar like an honey  
Voice as sweet as the melody  
Waist figure feature fix  
The romantic morning breeze wriggling my soul

Sunita, sunny like the seraphic post  
Body softened enchanted  
A name recalls with a sound of free romance  
Your lips cover with kisses  
Cream with a snow

Sunita, beauty dwell in your shadow  
A precious gem indeed  
Heart soak in love like the early morning romance  
Your love is a scent of myrrh of may's flower  
Eyes glittering shine with love behind veil

Ojeikpo A. Elijah

# Thalamus Of Beauty

## THALAMUS OF BEAUTY

You are wrapped in robes of beauty post  
Virtue you worth most like the rising sun  
A yellow royal rose  
Clothed in a seraphic beauty not a disguise  
A petals of beautiful spice.

Beauty rested in your post  
So nectar like an honey  
Voice as sweet as the melody  
Waist figure feature fix  
Like the morning breeze wriggling

Dressed in thalamus of beauty  
Glittering like the seraphic post  
Body softened enchanted than morning breeze  
A face recalls like a sound of free romance  
Your love set my garment blast

This is the conclusion of the whole matter  
You are precious gem indeed  
Your face is a scent of myrrh of may's flower  
Lips cover with kisses cream with a snow  
Eyes glittering shine with love behind veil

# Distant Land

I was just a child  
Feels extramally deeps breeze  
Of an apexical Romance  
Bridges to set me deep  
Within the inner door through  
The orb of unrequited passion  
though there are still costs to pay

As a child  
What across my heart was  
The caress rhythmically melody  
Butch of love and a ray of jully fun  
We chess together

dreams we dreamt  
Tarry on her luxuries thigh  
Until my stars is beckoned won  
With a sweet romance  
Gestured from a distant land  
Until an egg walk
