Better Than I Know Myself

Cold as ice
And more bitter than a December
Winter night
That's how I treated you
And I know that I
I sometimes tend to lose my temper
And I cross the line
Yeah that's the truth

I know it gets hard sometimes
But I could never
Leave your side
No matter what I say

Cause if I wanted to go I would have gone by now,
But I really need you near me to
Keep my mind off the edge
If I wanted to leave I would have left by now,
But you're the only one that knows me
Better than I know myself

I Will Try To Fix You

When you try your best, but you don't succeed
When you get what you want, but not what you need
When you feel so tired, but you can't sleep
Stuck in reverse

And the tears come streaming down your face
When you lose something you can't replace
When you love someone, but it goes to waste
Could it be worse?

Lights will guide you home
And ignite your bones
And I will try to fix you

And high up above or down below
When you're too in love to let it go
But if you never try you'll never know
Just what you're worth

Lights will guide you home
And ignite your bones
And I will try to fix you

Lonely

Lonely on the land I walk
Lonely are the nights
Lonely are the days
Lonely and empty.

A lonely star in the night sky
Alone in the walks of life
A lonely day
A lonely tear falls down.

I am lonely and I am scared
Only one star graces the blue sky
As lonely as me.
Hold my hand.

I feel lonely, very lonely.

Look How The Stars Shine For You.....

Look at the stars,
Look how they shine for you,
And everything you do,
Yeah, they were all yellow.
I came along,
I wrote a song for you,
And all the things you do,
And it was called 'Yellow'.
So then I took my turn,
Oh what a thing to have done,
And it was all 'Yellow.'
Your skin,
Oh yeah your skin and bones,
Turn into something beautiful,
You know, you know I love you so,
You know I love you so.
I swam across,
I jumped across for you,
Oh what a thing to do.
Cos you were all 'Yellow',
I drew a line,
I drew a line for you,
Oh what a thing to do,
And it was all 'Yellow.'
Your skin,
Oh yeah your skin and bones,
Turn into something beautiful,
And you know,
For you I'd bleed myself dry,
For you I'd bleed myself dry.
It's true,
Look how they shine for you,
Look how they shine for you,
Look how they shine for,
Look how they shine for you,
Look how they shine for you,
Look how they shine.
Look at the stars,
Look how they shine for you,

And all the things that you do.

The Reason Is You

I'm not a perfect person
There's many things I wish I didn't do
But I continue learning
I never meant to do those things to you
And so I have to say before I go
That I just want you to know

I've found a reason for me
To change who I used to be
A reason to start over new
and the reason is you

I'm sorry that I hurt you
It's something I must live with everyday
And all the pain I put you through
I wish that I could take it all away
And be the one who catches all your tears
That's why I need you to hear

I've found a reason for me
To change who I used to be
A reason to start over new
and the reason is You

and the reason is You

I'm not a perfect person
I never meant to do those things to you
And so I have to say before I go
That I just want you to know

I've found a reason for me
To change who I used to be
A reason to start over new
and the reason is you

I've found a reason to show
A side of me you didn't know
A reason for all that I do

And the reason is you

I LOVE YOU..... <3 <3 <3

You Are Beautiful

You are beautiful
Not only because of the brownness of your eyes
Or the shape of your body
Not only because of the fullness of your lips
Or the curl of your eye lashes

You are beautiful because You want to be
You are beautiful because God made you that way
You are beautiful because in my eyes
THERE IS NO ONE MORE BEAUTIFUL THAN YOU

You are beautiful because you have a heart
And that is a beautiful thing
You are beautiful because you have a brain
And that is a beautiful thing
You are beautiful because You give advice
And that is a beautiful thing

You are beautiful because God made You that way
You are beautiful because in my eyes
THERE IS NO ONE MORE BEAUTIFUL THAN YOU

You are beautiful because you have confidence
You are beautiful because you have determination and wit
You are beautiful because you have goals and you plan to reach them
You are beautiful because you are always there to lend a helping hand

You are beautiful because God made you beautiful
