A beautiful day

A nice forest

A roe deer

A fish can learn  
The worth of the sea  
When it finds itself caught  
In the net  
Of oppression

Fly in such a way  
That you don't lose your feathers

Ramin Chaman

Is

An interpreter

For

Your words

An invisible power  
That balances things  
On head  
In universe

Mona Lisa  
Show me  
Your secret smile  
Into your eyes  
I love mirrors
