Meri Jaan Ne Mujhe Yaad Kia Hai

Sochata mai bhi hu tere baare me Fark sifit itna hai hai ki tu gaur ni karti Teri hansa ke liye mai bhi mazaak karta hu Par tu nazaren ek bar bhi meri or ni karti Teri zulfein tu jab bhi khol deti hai during The class Hawaa mujhe bhi lagti h aur bhool jata hu formulas mere deemag me us waqt bhi tujhse baat karne ki kashmokash chalti hai Jab attendance ke baad tu Bag utha kar seedha baahar nikalti hai Special dost banaati hai tu jaanta hu mai Par tujhe nahin khabar mere liye tu kitni hai Formal pehnane ka shouk nahin hai mujhe At least haste hue dekhne ka mouka to milta hai mujhe Haa tujhse baat karte waqt mai show off karta hu Par tujhe kya pataa tere bare me baat bhi karoon to mai kitna blush karta hu tu to khair ho ni sakti meri kabhi janta hu tere contact no. ko hi star category me dal rakhaa hu Jab bhi tu lab work se call karti hai Mere Muh se ek hi baat nikalti hai Doston ek minut yaar MERI JAAN NE YAAD KIA HAI

Ye Saali Zindagi.....

Lamhon ka kya hai unhe to bas gujarna hi aata hai
Kasoor du kisi ko to khud ka hi chehra nazar aata hai
Sheeshe ke jaise hai ye waqt jo sab kuchh dikha deta hai
Waqt ka hi paath hai wo jo sab kuchh sikha deta hai
Life to bas kehne ko hoti hai
Asli zung to seene me hoti hai Khud hi waar karta hai dil
Chot lage to aakhen roti hai Pataa ni sala ye life bhi kya kehna chahti hai
Ek pal hasaa kar doosre pal jee bhar ke rulaati hai
Har waqt bas yehi gungunaati hai
Kaanon me ajeeb si gunj reh jati hai
Lyrics samajh ni aate is life ke
par composing bhut pasand aati hai
Har taraf bas sorrow hi sorrow hota hai
Har baar isi sorrow se hume rula jati hai
Language bhi pata ni java hai
Coding hi iski ajeeb hai
Itni jayada user friendly hote hue bhi ye gareeb hai
Koi bhi human ise apne software me fit ni baitha pata
Sab kehte hai bhai iski definition me hi kuchh kamee hai...
Raaton se to ise jaise allergy hai ise
Neendo ke peeche padi hai
Chiain se sone nahin deti
phir bhi kehti hai raat kitni badi hai..
Aankho kee neeche ise kaale daag bade pasand hain
Bina kisi rog ke mareej bane hue dekhna pasand iski hai....
Buraai to bahut hai life ki par abhi waqt nahin hai
Bas isi ki baat chali thi abhi aur ab ye mere saamne aa khadi hai...
