Emo Me

Iâ€™m emo, I cut
Myself
I have my own
Personality
I am who I am
Either you love me
For who I am
Or hate me for who Iâ€™m
Not
Because n one can
Change
Who I am.
I may be emo and
Cut my wrists for whatever
Reason.
Maybe for depression
Or even stress.
Who knows I know
But Iâ€™m sorry I wont
Change for you
Baby youâ€™re my love
But I donâ€™t want to change
For you.
I want to stay me
Not a mystery
Iâ€™m sorry babe
I just cant do it

Heartbroken

Why am I
Feeling
Heartbroken?
What did I
Ever do to
You?
You wanted me
To be myself
Well, look
I'm me.
I'm nice, Kind,
Talented
Everything you
Wished for.
And now I'm broken
In two
With no other
Half.
What am I suppose
To do now?
I do not understand
This. Nothing.
Why break my heart?
You knew how much you
Meant to me.

I Am Who I Am!

I feel so invisible to you
I should feel
Special to you
But I must be dead
Keep thinking what you
Want but I'm who
I am so suck it
Up if you don't like
Who I am.

I Love You!

You said I
love you
I thought you
Once did
But I was a fool to think
You actually did
How can I trust you?
Who are you
You must be a stranger like
Me

It's Over Because Of You

You hurt me,
You ignore me,
I'm like dead to you
So why date me?
Come on it's over
because of you!
What you did to our
relationship!
You shouldn't hurt
your girlfriend!
You don't ignore
or pretend I'm dead
either!
