Amazing Love

Lord, your love is unendeing,
'cos of it, I'm forgiven.
I'm not a believer, but in you I'm believing,
your love is majestically Proven.

on the cross, that's where you showed me,
all my dirt was washed am now as clean as snow.
your love is true, that's not hard to see,
I love you back that's all I want to let you know.

I sleep on your love, I wake up and its me you still loving,
you love me like am your very own.
its an amazing love, how you love me from morning to evening,
you love me from dusk till dawn.

Here By Your Side

Such a strong force
that's what keeps me around.
I paint a bright smile on your face,
You're my lover too my best friend.

here, by your side
that's where I want to stay,
so open your arms wide,
let me make my way.

On a cloud of true love,
I make way to you my love.
in your arms that's where I find solace,
no matter where you are, you I will always trace.

Love Turned Sour

I remember
how we used to love,
December to December
from five to five,
but now
its no longer love
but pure hatred,
you are still loved
but am hated.
its sweet love
turned sour

The Unseen Pain

Alone,
here I go again,
expressing my pain
through this pen.
I pour my heart
on this paper,
I'm hurt,
depressed and betrayed
but through writings,
I let my pain be conveyed.
I have this pain unseen,
I fought but couldn't win.
just feel my pain
right here,
I smile just to
hide a tear,
so u think I don't,
I don't cry at all.
