# Beautiful Eyes

You know, how beautiful your eyes pierced my heart deeply

eyes are windows of the soul, don't you know

your eyes as depth an ocean  
Who can explore it

Sparkles of your eyelashes  
Hunts my heart, time and again

Thy eyebrows are the crystal as the moon  
Lovely, deeply, widely starkly black

Thy eyes as depth as an ocean  
Watch in your eyes  
My own dreams reflected

Flash your eyes; I see a rainbow in them  
Float down in your eyes  
Who can explore it

I found the pearls deep in the ocean of your eyes  
Twinkling on eyelashes  
As shedding of the beads of pearls

I get stuck for word- no word  
Cease to be drops here

# Endless Night

Oh endless night, i sit alone,  
Silence of darkness hunting softly

Tantalizing night drifts slowly,  
Dark clouds embrace the moon

My soul shed delicate bleeding,  
Dazzling dew drop falling from eyes

All walk of life sorrow is surrounding,  
Mussel of smile, I hide a pain

Strength of heart, endless darkness turns it weak,  
Sadness of life make a big hole

In ever way of life drifts away,  
But there is light of hope, that will raise again.

# Flame Of Love

Life with love fills hope in life,  
Life devoid of love is like tree of thorns

As ocean of love flow inside deeply,  
Hold rope of love ever you would be king

Life is not only good and evil,  
Life is love divine gift of God

Love is shadow of God residing in every heart,  
Who feel this turn Godly and while who against it turn evil

Kindle the soul with the light of love,  
Drown yourself in color of love

Life is short love is longer,  
Hold tight the boat of love

Spread your wings scale a new height,  
Spark of thy changes the life

Man is beast without a love  
Both together make life strong

# Gloomy Night

Night is colorful, touch the music of my soul

Tantalizing darkness, it is precisely time to sit

O beautiful night

Sing my song upon the sky

Come thee, set me on fire  
A flame of love kindles my soul

Night is gloomy, I have no sleep

Come thee sit face to face

Modesty of eyes enchant me  
I cease my ink here

# It Is Not End

Failure doesn't means, you lose your confidence,  
it means it boost your confidence

Failure doesn't mean, you have not experience,  
it means you gain new experience

Failure doesn't, t mean, you are weak,  
it means you to be more strong

Failure doesn't, t mean, you miss opportunity,  
it means you have create new opportunity

Failure doesn't, t mean you have wasted time,  
it means you have learned something

Failure is not an end  
it means to start new.

# Life About Dream

I' m silent with my sadness,  
But my lips speak happiness

Inside I am deeply crushed,  
Outside I wear mask of cheeriness

They are happy in their lives,  
But alone i stand with my bleakness

Oh, life ever you hurt,  
Dreams of happiness never turn

What deserted life will offer,  
Embrace it with wide arms

# Spark Of Love

Oh, my heart, what happened,  
Thy spark ignited my heart

Your eyes flare threw me to fire,  
It lit fire without smoke

A fire of love has no cure,  
Its cure resides in fire

The blaze of thoughts burns again,  
Valley of the fire calls me again

No one could secure you from its flames,  
Only thy spark can wash off inner sins

Thy light of love turns to pinnacle,  
Afterwards then, he will embrace you full arms
