1 Wish

If I could have just one wish,
I would wish to wake up everyday
to the sound of your breath on my neck,
the warmth of your lips on my cheek,
the touch of your fingers on my skin,
and the feel of your heart beating with mine...
Knowing that I could never find that feeling
with anyone other than you.

A Stranger

A Stranger? June 10 2009

A stranger you were once then with a gentle look you took my hand as
our lives engaged you lit my life and I held both your hands now that
decades have passed our souls have indeed become one how fortunate
we are that we have found the love so true that everyone dreams about.

Baby Jesus

Sweet Baby, Jesus, gentle and mild
Born in a manger, sweet, Holy, Child,
Shepherds and Wise Men came from afar,
Seeking a Savior, they followed a star,

Sweet Baby, Jesus, sent from above,
Son of our Father gift of God's love,
In realms of glory, angels did sing
Heavens rejoiced as they welcomed a King.

Sweet Baby, Jesus, Mary's sweet Child,
Light of our life, sweet Babe so mild,
There in a manger, Thou art adored,
Jesus, we greet Thee, our Savior, our Lord.

Sweet Baby, Jesus, send peace to earth,
Lift up all hearts through Thy holy birth.
Now at Thy crib, as evening draws nigh,
Hear this our praises from earth to the skies.

Because Of You

Because of you
my world is now whole,
Because of you
love lives in my soul.
Because of you
I have laughter in my eyes,
Because of you
I am no longer afraid of good-byes.
You are my pillar
my stone of strength,
With me through all seasons
and great times of length.
My love for you is pure
boundless through space and time,
it grows stronger everyday
with the knowledge that you'll always be mine.
At the altar
I will joyously say 'I do',
for I have it all now
and it's all because of you.

Day Night Kiss

Day by day
Night by night
Kiss by kiss
Touch by touch
Step by step
I fall in love
A love so incomprehensible
So vivid
So unique
So wild, that not even the reign of God could control
A passion so deep
A need so necessary
A want so strong
The universe would not handle
I love you today
I'll love you tomorrow
I'll love you forever

I Love U Forever

I love you so deeply,
I love you so much,
I love the sound of your voice,
And the way that we touch,

I love your warm smile,
And your kind, thoughtful way,
The joy that you bring,
To my life everyday,

I love you today,
As I have from the start,
And I'll love you forever,
With all of my heart.

In Ur Eyes

In your eyes I see a thousand setting suns,
Glorious and mighty, more days are done.

In your eyes I see the beauty in a simple flower,
the majesty...the sweetness...the power.

In your eyes I see what could be,
faithfully, lovingly, you and me.

In your eyes my world spins round
your voice...passion the sound.

Mostly in your eyes I see love.

Like A Bird

I wanna fly away,
To a place where I can be free.
To say what I want to say,
And love will come to me.

I want to go to my own heaven,
Where peace and love will be real.
And trust someone from within,
No playing games and no deals.

I want to keep my head up,
So I can be carried high.
High enough,
To not hear the sighs, lies, and sad good-byes.

'I will never foresake,
Or hurt you in any way.
Please, don't make me beg or take,
I really want to say another way.'

'I don't want to do this again,
You have to leave me now.
You are insane,
And you bring me down.'

'Please, I'll do better.'
'I can't trust you again.'

I don't want to deal with this,
To the point I don't want to believe in love.
I know I'll miss,
But I want to go to a place above.

I want to fly like a bird,
To a place high in the sky.
Where I can be heard,
As the fallen angel that dropped by.

I wannna fly like a bird,

Carry me high.
Take me to the sky,
Survive...

Love

Love is like a lump of gold,
Hard to get, and hard to hold.
Of all the girls I've ever met,
You're the one I can't forget.
I do believe that God above,
Created you for me to love.
He chose you from all the rest,
Because he knew I would love you best.

Love Defined

What is love, but a force
To bring the mighty low,
With the strength to shame the mountains
And halt time's ceaseless flow?

What is love, but a triumph,
A glorious goal attained,
The union of two souls, two hearts
A bond the angels have ordained?

What is love, but a champion,
To cast the tyrant from his throne,
And raise the flag of truth and peace,
And fear of death o'erthrow?

What is love, but a beacon,
To guide the wayward heart,
A blazing light upon the shoals
That dash cherished dreams apart?

And what is love, but forever,
Eternal and sincere,
A flame that through wax and wane
Will outlive life's brief years?

So I'll tell it on the mountaintops,
In all places high and low,
That love for you is my reason to be,
And will never break or bow.

Love Me.

Love me in the Springtime, when all is green and new,
Love me in the Summer, when the sky is oh so blue,
Love me in the Autumn, when the leaves are turning brown,
Love me in the Winter, when the snow is falling down.

Love me when I'm happy, and even when I'm sad,
Love me when I'm good, or when I'm oh so bad,
Love me when I'm pretty, or if my face is plain,
Love me when I'm feeling good, or when I'm feeling pain.

Love me always darlin', in the rain or shining sun,
Love me always darlin', after all is said and done,
Love me always darlin', until all our life is through,
Love me always darlin', for I'll be lovin' you!

My Love

My love is like an ocean
It goes down so deep
My love is like a rose
Whose beauty you want to keep.

My love is like a river
That will never end
My love is like a dove
With a beautiful message to send.

My love is like a song
That goes on and on forever
My love is like a prisoner
It's to you that I surrender.

Our Love

You hold my hand, I caress your lips,
You look into my eyes and my heart beat skips.
I stroke your back skin so soft and smooth,
I admire your face, every line, every groove.
We move in a little closer, our bodies entwine,
you touch my neck, it sends shivers down my spine.
You whisper that you love me and I know it's true
because I feel it in my heart and I love you too.

Two Weeks

And you neglected I called you out don't please
I said we're stronger than this now
You resurrected mistakes years past it seemed
And they exist to still haunt you
And still you feel like the loneliness
Is better replaced by this
I don't believe it this way
And I can see the fear in your eyes
I've seen it materialize
Growing stronger each day
I could see it as you turned to stone
Still clearly I can hear you say
Don't please, don't give up on me
Two weeks and you ran away
I remember don't lie to me
You couldn't see that it was not that way
Swear I never gave up on you
I wanted nothing but for that trust again
And brick by brick you would take it
You feared of phantoms and none exist but you
You still saw fit to destroy it
And still you feel like the loneliness
Is better replaced by this
I don't believe it this way
And I can see the fear in your eyes
I've seen it materialize
Growing stronger each day
I could see it as you turned to stone
Still clearly I can hear you say
Don't, please, don't give up on me
Two weeks and you ran away
I remember don't lie to me
You couldn't see that it was not that way
Swear I never gave up on you
And you neglected I called you out don't please
I said we're stronger than this now
You feared of phantoms and none exist but you
You still saw fit to destroy it
And I can see the fear in your eyes

I've seen it materialize
Growing stronger each day
I could see it as you turned to stone
Still clearly I can hear you say
Don't, please, don't give up on me
Two weeks you ran away
I could see it as you turned to stone
Still clearly I can hear you say
Don't, please, don't give up on me
Two weeks and you ran away
I remember don't lie to me
You couldn't see that it was not that way
Swear I never gave up on you

What I Love About You

I love the way you look at me,
Your eyes so bright and blue.
I love the way you kiss me,
Your lips so soft and smooth.

I love the way you make me so happy,
And the ways you show you care.
I love the way you say, 'I Love You, '
And the way you're always there.

I love the way you touch me,
Always sending chills down my spine.
I love that you are with me,
And glad that you are mine.

You Know Man, That's Pretty Sad

'Cool' kids like to think they're hot stuff
And everyone else ain't cool enough.
We're supposed to follow their bullshit fads.
You know man, that's pretty sad.
They call me a fool
'Cause I never cared what's 'cool'.
They won't give me a chance
They say that I'm sick.
'Cause I won't sell-out,
I won't be a trendy prick.
Life's not what they think.
They're not always what they seem.
It appears they love
To mess with my self-esteem.
I'm not what they think
Life's not what they've thought.
I am who I am
And I do what I want.
When will individuality come into style?
I hope it won't be a while.
I don't need the 'cool' kids
I've got better friends.
I don't care for the 'cool' crowd
And all of their bullshit trends.

Your Name

i wrote your name in the sky but the wind blew it away.
i wrote your name in the sand but the waves washed it away.
i wrote your name in my heart and forever it will stay.
