# Love Love Love

Love Love Love

You are like a river flowing to all directions.

# The Peace Lover

We see  
Your rotund cheeks sagging  
Aand convex stomach bulging  
You, standing hands akimbo  
A grotesquo peace lover.

The children around you  
Silent sapless sapling  
With pus-oozing bottoms,  
Gravelling in the desert of your regime.

Savage sawyer  
Curving human thighs  
For dinner.

Hosting cocktails  
of blood  
Immersing guests  
in an ocean full of crocodiles

Rseudo war-lords  
Scappling your tribesmen  
Tatooing their eyes!  
You will soon be fastened  
in the fetters  
of your own bandage.
