Different World!

Changing homes

My Lost

I taught you're here forever,
But you left me
Without saying goodbye
I taught you're here forever,
To watch me grow
To be the best
I taught you're here forever,
So I can say 'I love you' one more time

Pride Joy & A Believer

I don't care what you think
Or even try to say to hurt me
I have my pride
And my strength to carry on
I am a believer
And a witness
Of my own battles

I don't care what you say
But I am The TRUTH
