Makin Me Smile

I look in to your eyes and I see my future with you
I see happiness and smiles
When you touch me I smile
I love the way you touch me and the way you hold me
Everything about you makes me smile
When you say you love me i cant handle it
Baby I love you and everything about you
No matter what happen even if you leave me
I will always have the memories of the way you makin me smile

My Frist Kiss

the frist time i felt speacial
you gazing in to my eyes
your and on my thighs
making me think you are the right
the thing that matter the most in my life
the only thing that happen once
the speacial think in my lifemy frist kiss.

Why Me

Why am i the last one to know
why did you not tell me frist
why did i have to find out from that girl
calling my phone
disrespecting me telling me the
special thing you did for her
making me look like a fool
why couldn't you be a man and tell me face to face
instead of being a little puppy dog with his tail between his legs
i knew you was not the man you said you were you broke my heart and
ran but no matter want you cant ran from my heart.
