You broke my heart

1st time hmmm.. everyone make mistakes

2st time hhh.. i'll let it slide

you broke my heart

3rd time hmm..this is my fault but i'm giveing you one more time

you broke my heart

4th time hmm... well to bad, your out, i'm down with your ass!

# Never Say

never say i love you  
if you really don't mean it  
Never say your going to  
if your never try  
Never hold my hand  
if your just going to let go  
never say we will be forever  
if your just gonna break my heart the next day

# Nobody Perfect

Nobody perfect cause if everyones was; then no-one would make mistakes but everyone makes mistakes so if you make a mistake don't let it or anyone bring you down get back up and try it again

# You May Say

You may say i'm  
beautiful

You may say i'm  
the best

You may say i'm  
wonderful

You may say i'm  
all that you want

You may say i'm  
funny

But, the truth is that you really don't mean none of it so really if u don't mean  
what you say then don't say it
