## **\*the Out Come\***

I find myself sitting alone  
with no one to hold me and  
tell me im going to be okay.  
As I take more piles I get  
closer to death not knowing  
the fate befor me really not  
carring the out come because,  
no-one should go through what I  
go throught every day of my life.  
As the scares come visible to other  
I think why or how I could have done  
something so stupid, I know I wasent  
thinking about what will be the out come  
to my actions. but know I know the right way!

# As Is

Life as it is but not what you want,  
Knowing what you want but not  
being able to make your dream  
come true.

Seeing your life knowing that you  
need to go the way, because  
your life is going down hill.

When you need to be going up.

As time is running out you think of all  
the wrong things you did in your past,  
thinking if you had only done this or didn't  
do that. then, Where would I be now?
