A Cross

A cross is just wood;
It had no real meaning till the day a prefect man
Was nailed to one.
A cross is now the symbol of real love;
It shows how much one is willing to do for others,
So they would not have too.
A cross is the way we see the redemption of the soul,
For Christ put his own life to death on
The third day rose from the grave.
A cross is all we need to see,
To know that one day we too will go
Home to be with The Father in heaven.

A Daughters Love

She came into this world on a bright sunny day, the first time I saw her sweet face,

She had the sweetest and loving smile on her face,

The first time I saw

"A Daughters Love"

As she got older we did not always see eye to eye,

The time we did I always saw and felt

"A Daughters Love"

Now I am old and just getting by and when I need my best friend,

I know I can call on her and she always shows

A Morning Prayer

"A Morning Prayer"

When we wake each day, we should start the day with a prayer of thanksgiving for a new day, And to ask the Father to walk with us through the day.

Go before the Lord with mercy and worship him with all your heart and soul.

Give everything to him and he will bless you in abundance according to his will.

At the start day always pray:

"Lord I give this day to you and I walk in your light and in the path of rightness, help me to do only the things that glorify the body of Christ"

"Amen"

A True Friend

"A True Friend"

We live our lives trying to be liked or asserted in today world but we should not worry about what the world thinks of or sees in us, There is only one person we should be more open too, That is someone how will be there for us.

"A True Friend"

When we wake each day and start it in a good outlook and a prayer and not think about what we can get out of the day, But what we can put into the day and put all we have into the one who truly loves us unconditionally.

"A True Friend"

When you stop and think about whom our true friends are, the ones who do not judge you for your past and want you are today, then you know you have a true friend, who is that true friend?

A Tug

"A Tug"

When we are asking how we know we have been saved and how we knew for sure, we are asking "Did you hear God? " "Did you see a vision? " "How do you know for sure? "

The answer we can give is one that is very truthful one, and may even be understood more than any other.

It was like when you are fishing and you fill the line pull tight, you cannot see or hear the fish, but by the line being tight you know you have it. It is also faith that we know we have it.

It is the same way with the Father you can fill.

Blue Sky's

Blue Sky's

In life there are times we call things in our life "Gray Sky's" / "A Bad Time's"!
There are times in our life we call "Blue Sky's" / "Good Time's"!

But what is a "Blue Sky"?

It is a thing of beauty and really has nothing to do with life,
or what goes on in our life!

So when we look to the Sky for what we call the answer's!
We may be unable to find what it is we are looking for!

Remember that the
"Blue Sky's"
Are a thing of beauty!

East To West

"East to West"

When we have a problem with someone and we get angry or upset with that person,

We should be as Christ and Forgive from as far as it is from "East to West".

When we sin and ask for Forgiveness and truly show

Repentance for what we have done,

Our inequities and transgressions are forgiven from as far as it is from

"East to West".

The Lord extends his Love and Grace to all who Trust in Him, and is willing to

Forgive our sins from as far as it is from

"East to West".

Mothers Are

"Mothers Are"

Mothers are the ones, who bring us into the world,
Mothers are the ones who teach us right from wrong.
Mothers are there for us when we need her any time, day or night,
To help us feel better.

Mothers are there when we are scared or when we feel alone,
And she is there when we are happy to share in our joy.
Mothers are there for us when we are feeling down,
She helps us feel better.

Mothers are the ones, who love us,
Even when we think no one else does.
She is Always by us anytime, all the time, no matter what
Even if only in our hearts!

Poor Or Richno

"Poor or Rich"

What do we believe our self's to be?

Are we poor with no money?

No home no hot meals each day or are we rich with all we need or want?

Wants' that is the key word,

To want something it not always greed,

But to want just because we can afford it, that is greed.

The poor that walk in this word are led by

The Heavenly Father are truly richer then a man with all the money in the world.

For the poor are content and happy for if they trust in The Father, all there need will be met.

Reflections

In this world there are many walks in life some are good some are bad.
But as we look into the mirror of life we only
See one thing that is a friend.
"A Friend in Jesus"

Some days are up, Some days are down, Some days are good, Some days are
bad. Some day's we are happy,
Some days are sad, Others we may be lonely,
But no matter what we can look into The mirror of life and see a friend.

Sweet 16

"Sweet 16"

Now you are 16,
Nothing behind you but your childhood!
Now you are truly a teenager.
Look forward to see what the future may hold for you,
Can have in store for you.

Leave no possibilities behind you;
Anything is possible if you put your Mind and Heart into it!
"My Little Queen"

Let no one tell 'NO'
You can be anything you may or want to be,
Because now you have the world in front of you,
The world can and will offer you anything.

Wisdom

“Wisdom”

For there are two types of wisdom, one from above, one of the earth.

The wisdom from above is from the father and is first pure and fruitful and full of mercy without partiality

The wisdom of the earth is full greed and envy, strife self love and evil works.

So as we live in this world we chose the wisdom we want to have, good or bad it makes us who we are.

A man of God shows a light of love and understanding, a man of the world sees no love and has no true understanding.

With Faith

"With Faith"

With faith we know The Father will provide all our need, as long as we put all our faith and trust in him.

The Father will give to us in the his time,
Not ours and not until.

With faith there is confronted knowing that he knows what we need. He will give to those who show true faith and trust in him.

We must believe in The Father with all our hearts and souls.

And in the calm of the silence and prayer, we hear the voice of the Holy Spirit and The father.

He well talk to those who will lesson, the answer will be not only in our heart but in our mind as well.

With faith we can and do hear The Father.
