without hard to say

n ask me too..  
of course i like u  
u r my friend  
that was  
what i said..  
but then  
u want more  
more than  
what i can give u..  
u force me  
u flatter me

what can i do?  
i never want  
2 be a conqueror  
but u wont give up  
u've fell 2 my charm..  
Im d conqueror  
im d poison  
im d queen  
im d sky..  
Its my fault  
im sorry  
i shouldnt be near u  
n blow my poison 2 u..  
Just give up my dear  
u'll never can touch me  
u'll never can surrender me  
u'll never can make me dow  
im d ego  
im d desire  
so just give up my dear

cause once u start 2 like me  
u'll never can stop to love me..

# I Cant Stop! !

I CANT STOP! !  
I CANT STOP THINKING ITS MY FAULT  
I CANT STOP BLAMING MYSELF  
I CANT STOP SAY THAT IM JUST A SHIT

i cant stop..  
I cant stop crying  
i cant stop bumping my head  
i cant stop hurt mybody

I CANT STOP! !  
I CANT STOP TRYING TO FIX IT  
I CANT STOP TO EXPLAIN EVERYTHING  
I CANT STOP YELLING!

i cant stop..  
I cant stop begging to u  
i cant stop say sorry  
i cant stop tell u its all my fault

so why did u must keep telling me  
that its not mine?  
Why did u must keep denied urself

I cant see u  
but i know ur crying  
i cant hear u

SO JUST LET ME DO IT!  
I SWEAR I'LL FIX IT!

# Stuborn Juliet

-stuborn juliet-  
i've read many times  
a story bout 'true love'  
bout a stupid girl juliet  
n a poor guy romeo  
yeah, stubborn juliet  
how stupid she is acting  
like she has die  
without tell it to her love?  
How poor he is being unpatient  
n decide to put d mouth of his gun  
on his head  
when he see juliet 'die'?  
Why  
why  
why  
so many question in my mind  
i laughs so loud  
till i cant breathe properly  
while i've read that story  
poor romeo  
stuborn juliet  
n true love?  
With all this formulas in my brain,  
i cant understand  
how can  
i dunno that word..

# Unacceptable

Im d virus  
im d x-file  
im d failed experiment  
im d wrong formula

and wont accept me  
everything just hate me  
even wont look at me  
cause im  
d failed of Monalisa.  
Why would i?  
How can i?  
D questions  
just stopped on tongue  
it wont throw up any word.  
D wind blow up
