# Death

when called  
never answers  
when hurt  
asked for help  
never comes  
when wanted  
never comes  
when pained  
makes sorrows  
when love comes  
it answers  
when love is gone  
it laughs like wind  
when in anger  
for a miracle  
it answers  
when replayed  
frogets we are there  
we wait for it to take us  
but shows life is a pain  
when you ned death to retub  
it takes us by suprise  
it burns our love  
in fornt like we are  
agel of dark  
we want it to take us  
but it pain us more  
day by day  
we gain hope  
which was when we  
wished for death  
to arrive  
more we gain by day  
than by night  
we wait fror light to arrive  
and it takes us into the  
world of orgivness and love

# Enjoy

that shake our hurts  
like a wind  
it bring life  
makes those who cry  
to run with life  
blossoms with light  
brightens even dark nights  
gives hope for those  
who are lost in dark  
pained souls will face god  
makes us happy  
when we hear the  
voice of the dark one  
brings end to dark  
it might be a small light  
but shines  
by day and day  
it grows  
it gains more power  
makes us feel  
life is wonder  
but suddenly dark  
gains more than we thought  
sudden blast of fire  
thoughts might say a bad event  
was the fire blast  
but it was actually  
life retuning to hearts  
of all of our kind

again we are painless

Susana Nickerson
