Why

WHY

By: Tisha Driver

That's me, yea talking back there's no other, and there will never be.
I'm too exclusive and sassy for you and me.
Try to treat me and nasty I can be.
That's the way I am, no I can't help it because that's me.
Like no one but everyone likes me.
So nice at times and mean as I don't know what at other.
I'm wanted in many places for my hair styles I'm just too exclusive yea I'm a
beautician and a good one at that.
I do designs Alicia keys hair stylist can't try.
I'm exclusive because that's the way I am and always will be.
You'll never see anybody confront me instead they want to be me.
I got an attitude that no one can control. And that's because that's the way I am.
