The Seasons Are Like You

The seasons are like you

Flowers bloom humming birds come home everything

Changes but not you you stay the same they must

Leave and you will stay cause you are my winter

Spring summer and fall you stay with me through

The seasons cause you are my winter spring summer

And fall stay with me you have the eyes of winter

The face of spring the body of summer the hair of

Fall because you are like winter cool and calm you

Are like spring beautiful and blossoming you are

Like summer warm and caring you are like fall

Gentle and long lasting cause you are like winter spring

Summer and fall you are my seasons without you I

Am nothing do not leave me I need you careing stay

Please I need you

this is dedicated to savannah
