~~ Your Kind Of Friendship ~~

It takes more than caring
To be a real friend;
The nature of friendship;
Requires a blend
Of warmest compassion
And love deep and true
To reach and to comfort
The way that you do.
Because I can see
That your kind of friendship
Is priceless to me.

A Forever Friends

Sometimes in life,
you find a special friend;
Someone who changes your life
just by being part of it.
Someone who makes you laugh
until you can't stop;
Someone who makes you believe
that there really is good in the world.
Someone who convinces you
that there really is an unlocked door
just waiting for you to open it.
This is Forever Friendship.
When you're down,
and the world seems dark and empty,
Your forever friend lifts you up in spirit
and makes that dark and empty world
suddenly seem bright and full.
Your forever friend gets you through
the hard times, the sad times,
and the confused times.
If you turn and walk away,
your forever friend follows.
If you lose your way,
your forever friend guides you
and cheers you on.
Your forever friend holds your hand
and tells you that
everything is going to be okay.
And if you find such a friend,
you feel happy and complete,
because you need not worry.
You have a forever friend for life,
and forever has no end.

A Friend

A friend is like a flower,
a rose to be exact,
Or maybe like a brand new gate
that never comes unlatched.
A friend is like an owl,
both beautiful and wise.
Or perhaps a friend is like a ghost,
whose spirit never dies.
A friend is like those blades of grass
you can never mow,
standing straight, tall, and proud
in a perfect little row.
A friend is like a heart that goes
strong until the end.
Where would we be in this world
if we didn't have a friend.

A Friend From Above.....

I prayed for you before we met,
Not knowing who you'd be.
I asked the Lord to send a friend.
One chosen just for me.

I asked that they'd be Godly,
With wisdom of His ways.
A friend to help and guide me
I the troubles of these days.

So often in life, we need someone
To listen while we talk.
Someone who will not condemn or judge,
But encourage us as we walk.

The narrow road we choose to follow
May sometimes make us stumble.
But to have a friend to catch our fall,
Teaches us to be humble.

When I asked the Lord to send a friend,
Though many came and went.
He gave much more than I ever asked,
For you are the friend He sent.

Best Friends

A Best Friend!
A friend that really cares!
All my secrets i can share!
There when i need a hand!
There to understand!

When i cry!
She will be by!
If i am away!
She will call me day by day!
If i need her at all!
She'll be there to stand tall!
Anything i say will be heard!
She will listen word by word!
If I am late!
She will open the gate!

As she looks in my eyes!
The sparkle she realize!
She is the one that cares!
And the one thats there!

That's a best Friend! !

Cute Freindship

No man or woman is worth your tears.

The only one who is, will never make you cry.

If you love someone, put their name in a circle, instead of a heart.

Hearts can break, but circles go on forever.

Everyone hears what you say. Friends listen to what you say.

Best friends listen to what you don't.

If all my friends were to jump off a bridge, I wouldn't jump with them. I'd be at the bottom to catch them.

Don't frown, because you never know who's falling in love with your smile!

It takes a minute to have a crush on someone, an hour to like someone and a day to love someone-but it takes a lifetime to forget someone.

Family And Friends

We all have a cherished garden we tend -
It is planted with love of family and friends.
The memories and dreams we treasure and share
Are like beautiful roses found blooming there.
The comfort and care on which we depend
Is given with love between family and friends.
The sunshine of laughter and rain of a tear
Only make our love grow with each passing year.
We may all be ourselves with no need to pretend
Because of the love of family and friends;
They notice the rainbows and weather the showers.
They overlook weeds and praise all our flowers.
The most valuable thing is the time that we spend
Tending this garden with family and friends.
When counting our blessings, we know from the start
That family and friends come first in our heart.

Forever Friends

you'r my friend and that is true,
but the gift was given from me to you.
we went thru moments that were good and bad,
even moments that were happy and sad.
you suported me when i was in tears,
we stuck together when we were in fear,

its really sad that it had to be this way,
but it has reached its very last day.
miles away cant keep us apart,
'cause you'll always be in my heart.

Friends

One day when you feel alone
Remember i'm at the end of a phone
I love you loads
And that must show
I want to let all the world to no
I have a friend, that is you
I love you for all you do
Your face so sweet and your heart so gentle
Keeping me together when i'm going mental
Telling me you love me and that you hold me tight
Being there for me even in the night
Thank you friend you mean a lot to me
Maybe now you'll see
How much you mean to me

Friends Poem

You're a true friend,
that I want you to know,
Our love for each other
has helped us to grow.
We've been through some tough times,
but we've made it through,
The only one I ever trusted was you.

You helped me through anger,
you've chased away fears.
You held me through sadness,
and kissed away tears.

You stayed by my side
when the world turned away.
You helped me see joy
when the skies were all gray.

You were the rainbow
at the end of the storm.
You help me be different
when I shouldn't conform.

You held my hand
when you knew we would fall.
Every heartache,
you saw me through it all.

I'm not sure
I'm always the best friend to you,
I know I'm not perfect,
but this much is true.

When life gets you down,
And there's nowhere to turn,
I'll help you through and
I'll share your concern.

I'll try my best to return every favor,

When you're sure that you'll drown,
then I'll be your lifesaver;
Even if we both go down.

Whether we sink or swim
doesn't matter at all,
Just know that I'll be there
whenever you call.

I'll pull you out
when life pulls you under.
I'll be the sun
when there's lightning and thunder.

And when it's all over,
And we've fought every war,
There's one thing I promise,
Of this I am sure,
When the time comes
that we're put to our rest.
Be sure that you know that,
My friend, you're the best.

And if there is Heaven,
then I know you'll be there,
That if you die first
then you'll hear every prayer.
And soon I'll join you,
but just know until then.
That I'll miss you each day
'til I see you again.

At the end of the tunnel,
you'll be my guiding light,
You'll lead me to heaven,
away from the night.

We'll be there together,
and we'll never grow old.
And we'll walk hand in hand
On the streets paved of gold.

Friendship

A ruddy dropp of manly blood
The surging sea outweighs;
The world uncertain comes and goes,
The lover rooted stays.
I fancied he was fled,
And, after many a year,
Glowed unexhausted kindliness
Like daily sunrise there.
My careful heart was free again-
O friend, my bosom said,
THrough thee alone the sky is arched,
Through thee the rose is red,
All things through thee takes nobler form
And look beyond the earth,
The mill-round of our fate appears
A sun-path in thy worth.
Me too thy nobleness has taught
To master my despair;
The fountains of my hidden life
Are through thy friendship fair.

Friendship's Flower

Life is like a garden
And friendship like a flower,
That blooms and grows in beauty
With the sunshine and the shower.

And lovely are the blossoms
That are tended with great care,
By those who work unselfishly
To make the place more fair.

And, like the garden blossoms,
Friendship's flower grows more sweet
When watched and tended carefully
By those we know and meet.

And, if the seed of friendship
Is planted deep and true
And watched with understanding,
Friendship's flower will bloom for you.

My Family

I love everyone in my family.
Everyone including me.
My dad, my mum and brother Zack.
Sister Mellisa and baby Bloom.

The pillar of strength is our dad.
Seldom he is angry, unhappy or sad.
nt and loving.
At the office, he is hardworking.

Our mum is a loving person.
Housework is never a burden.
A housewife and always happy.
My, what a wonderful lady.

Brother Zack is the eldest.
Intelligent, handsome and smart.
In his class he gives his best.
On the football field, he plays hard.

My elder sister is Mellisa Lim.
Two years older than me.
Laughs a lot and is always happy.
She is live wire of the family.

Baby Bloom is cute and very cuddly.
Two years old but sometimes naughty.
Deep in our heart we all loves her.
Our Bloom, a baby sister like no other.

I love everyone in my family.
We have strength and unity.
Each one needs and other.
Together, forever and ever.

My True Best Friends

My best friend and I
Always seem to fight,
But he's there when I need him,
He talks to me at night.

He's the greatest person
Anyone could ever imagine,
He's kind and funny,
He sends love out like magic.

He always knows
Whenever I'm sad,
Whenever I need to cry
He's there.

Sometimes he's been
The only one who understood,
My best friend's
The only one who would.

Next year he'll be
So very far away,
But next to me
Is how he'll always stay.

'Cause you see that my best friend,
Just happens to be my brother,
And Bubba, no matter what
I'll always love ya.

Rainbows

If I could catch a rainbow
I would do it just for you.
And share with you it's beauty
On the days you're feeling blue.
If I could build a mountain
You could call your very own.
A place to find serenity
A place to be alone.
If I could take your troubles
I would toss them in the sea.
But all these things I'm finding
are impossible for me,
I cannot build a mountain
Or catch a rainbow fair
But let me be...what I know best,
a friend that's always there.

The Best Of Friends

When friendships undergo a test
It's often found old friends are best;
The sampler on the parlour wall
Has these few lines which say it all;
The best of friends can change a frown
Into a smile when you feel down.
The best of friends will understand
Your little trials and lend a hand.
The best of friends will always share
Your secret dreams because they care.
The best of friends, worth more than gold,
Give all the love a heart can hold.

The Perfect Friend

Today I found a friend
who knew everything I felt
she knew my weakness
and the problems I've been dealt.
She understood my wonders
and listened to my dreams,
she listened to how I felt about life and love
and knew what it all means.
Not once did she interrupt me
or tell me I was wrong
she understood what I was going through
and promised she'd stay long.
I reached out to this friend,
to show her that I care
to pull her close and let her know
how much I need her there.
I went to hold her hand
to pull her a bit nearer
and I realized this perfect friend I found
was nothing but a mirror.

True Friends Forever

Written with a pen

Sealed with a kiss

If you are my friend,

Please answer this:

Are we friends or are we not?

You told me once, but I forgot.

So tell me now and tell me true,

So I can say, I am here for you.

Of all the friends I've ever met,

You're the one I won't forget.

And if I die before you do,

I'll go to Heaven

And wait for you.

Uncounted Blessings

Whenever we gather together,
The words are not easy to find,
But love speaks a common language
When people have ties that bind.
We don't always say what we're feeling
As often as families should;
We don't count our blessings out loud,
But somehow they're understood.
We know that we're thankful for living
With the comfort of each other's care;
We're grateful for memories and stories,
And the jokes that our family shares.
We might leave a promise unspoken,
But we know that we're loyal and true;
We can count on companions through life,
In the sunshine and shadows, too.
We might show some special attention
To a stranger, acquaintance, or guest,
But we never forget in our hearts
About those that we really love best.
These blessings can never be counted
Like money or gold dividends;
They can only be shared as the love
That exists when families are friends.

Why God Make Friend

God made the world with a heart full of love,
Then He looked down from Heaven above,

And saw that we all need a helping hand,
Someone to share with, who'll understand.

He made special people to see us through
The glad times and the sad times, too;

A person on whom we can always depend,
Someone we can call a friend.

God made friends so we'll carry a part
Of His perfect love in all our hearts.

Why Gods Give Us A Friends

GOD knew that everyone needs
Companionship and cheer,
He knew that people need someone
Whose thoughts are always near.

He knew they need someone kind
To lend a helping hand.
Someone to gladly take the time
To care and understand.

GOD knew that we all need someone
To share each happy day,
To be a source of courage
When troubles come our way.

Someone to be true to us,
Whether near or far apart.
Someone whose love we'll always
Hold and treasure in our hearts.

That's Why GOD Gave Us Friends!

You Gave Me Wings

As a young tot,
without care or concern
I lived within a family
that was ever so strong

A family with love
A family with care
A family that I knew
would always be there

I still recall the good old days
With Dad on the road
And Mom home to stay
Dad calling each night just to say,
working hard and will be
home in a few days? br> Always to end with love you all?

Mom with the handle of doing
all the motherly things
The housework, the meals,
and bandaging a scraped knee
My sisters and I, never to fear, that a hug and a kiss would always be there.

As a young tot, I never knew
Just what the job was that
Mom and Dad had to do.
But I did know, without a doubt
That I was always loved, I was cared for
And my Mom and Dad
would always be there.

As I grew older, things started to change
I learned how to sew and cook a few meals
A sense of responsibility and
what it meant to share
Maturing was tough,
especially those teenage years
As I had choices to make and
do things as far as I dare

The wonderful thing about those years
Was that a foundation was being built
A structure of sorts,
where the choices were mine
And I would have to sort my choices out.

As I matured, got married and had kids
The job of parenting became
much clearer to me
The magic of love, of caring,
of worry, and fear
All became one bundle of happiness for me.

It became natural,
almost an instinctive nature
To love, to give and to always be there
My kids became my life,
always on my mind
Just like my parents, it has to be
They gave me the power of parenting

Today I know, without a doubt
My structure, my thoughts,
my sense of responsibility
My strengths, my weaknesses,
my individuality
The love in my heart,
the ability to support and share
Came because my parents were always there

All these wonderful things
Are because, Mom and Dad
You gave me wings.

Thank you,
With Love Always,

Winniek Koh
