# Be Somebody

Be Somebody You Want Your Child To Be.

Be Somebody You Want Your Child To Meet, Date And Marry.

Be Somebody You Want Somebody Else To Be.

Be Somebody Worthy For Christ.

Be Somebody's Answer To Prayers.

Be Somebody's Reason To Love.

Be Somebody's Hope To Desperation.

Be Somebody's Reason To Smile.

Be Somebody's Light To Ignorance.

Be Somebody's Solution To Problems.

Be Somebody Without Losing Yourself.

You Are You And You Can't Be Nobody Else,

So, Be A Unique Somebody-

Coz Everyone Of Us Is Somebody Else's Dream.

Yaoreiso Emkay

## Beast (Waiting For The Beauty)

I'm a beast, waiting for the beauty.  
A beauty with a decent courage  
To tame tis my wandering rage  
And unveil mine inner veiled beauty.

I walked amongst trusting souls,  
Disguised and relishing on daily strolls.  
Still none trills tis ston-cold heart  
And none quenches all the leisure.  
For what is a beast without a treasure?  
Without none to protect dear to the heart.  
For a beast I am, as duly-  
A beauty must I serve before I cease.  
Adore her, cherish her, shield her without a lease;  
Never a word, but loving always and truly.

# My Dearest Chalevono

Oh Dear Chalevono, my dearest..  
Something about her smile  
Makes me wander for a while  
A disguised angel nearest?  
Maybe not, Coz am no good guy..  
And She talks to me fearless.  
Maybe Yes! So caring, cute and shy.

I thank my God Father  
For letting me meet her.  
A sweet girl like no other,  
Woe to me if i lose her.  
Though my feelings so ascending  
But if lest she loves another,  
Let me yet like her unending.

# To Live Love

I heard about the word Love,  
I read about it, so divine and pure.  
Can this world hold such for sure?  
Only Father above can truly Love.

God did tell us to Love one another.  
And to Love is to feel as God does.  
Yes, Love is a feeling that beyond goes,  
Defying mindly order and logics of Earth Mother,  
An experience that can change lives untelling.  
Love in itself is Perfect and unchanging.  
It is a glimpse of Heaven here on Earth,  
Makes your Life a living worth.  
And yes, I learnt to Love from God you see,  
But to live Love, is having her beside me.

# Your Smile

Oh! What is this feeling?  
Its making me unsure.  
Am I dreaming?  
I think I need a cure.

Feels like dejavu!  
Its like I've seen your face,  
So closely as to embrace.  
Well, off with the dejavu!  
I think I'm in love  
With an angel from above.  
But No! I've been shook with a comment  
That I've been day dreaming for a while,  
And Oh, realized that it all started from the moment,  
The moment I saw your smile.
