Love Is Awesome

Love is sour,
Love is sweet.
Love is cold,
Love is heat.
Love is the sound of a beat
A world you can't resist.

It comes and goes like flash
Leaving stripes on the heart like a lash.
May seem stupid to others
But sticks hearts closer than brothers.
Love is blind and bright
But travels farther than the speed of light.

Love knows no boundaries-
Race, gender, status or beliefs.
Love holds no grudge,
Even in pain, shame or blame.
Love builds the Heart,
Making friends, lovers, couples or soul mates.

Love is cruel,
Love is nice.
Love is foolish,
Love is wise.
If love could rise and fall like the rain fall,
what is called love

My Song I Think I Love U

I'm sleepin at night
in the middle of a good dream
Like all at once I wake up
From something that keeps knocking at my brain
Before I go insane
I hold my pillow to my head
And spring up in my bed
Screaming out the words I dread:
I think I love you! (I think I love you)

This morning, I woke up with this feeling
I didn't know how to deal with
And so I just decided to myself
I'd hide it to myself
And never talk about it
And didn't I go and shout it
When you walked into my room.
I think I love you! (I think I love you)

I think I love you
So what am I so afraid of?
I'm afraid that I'm not sure of
A love there is no cure for
I think I love you
Isn't that what life is made of?
Though it worries me to say
I've never felt this way

Believe me
You really don't have to worry
I only want to make you happy
And if you say,
Hey, go away, I will
But I think better still
I ought to stay around and love you
Do you think I have a case?
Let me ask you to your face:
Do you think you love me?
I think I love you!
