A Poem About Love

love and poems
their like a couple
poem would be the wife
love would be the husband
but the only thing
that binds them
is sadness

Weslee Sampel

Amor

El amor puede ser bueno
El amor puede ser malo
Pero el amor es amor

El amor puede ser cierto
El amor puede ser falso
Pero el amor es amor

El amor puede ser un salvavidas
La vida puede ser un deseo suicida
Pero el amor es amor

El amor puede ser útil
El amor puede ser el peor desastre
Pero el amor siempre será amor

Cats

cats are fluffy
cats are cute
cats are loveable
so are you

cats are furry
cats are adorable
cats are passionate
so are you

but the one difference
about you
and the cat
is I will never leave you
and you will never leave me

Día De La Marmota

Día de la marmota
No entiendo cómo funciona
El misterio de por qué funciona
La marmota solo sabe

Gatos

Los gatos son esponjosos
Los gatos son lindos
Los gatos son adorables
Tú también

Los gatos son peludos
Los gatos son adorables
Los gatos son apasionados
Tú también

Pero la diferencia
acerca de ti
Y el gato
Es que nunca te dejaré
Y nunca me dejarás

If It Hadn't Been For You

If it hadn't been for you,
I wouldn't be alive.

If it hadn't been for you,
I would have been nothing, nothing but hopeless being.

If it hadn't been for you,
my life would not have had any joy or excitement.

If it hadn't been for you,
my life would be the saddest thing around.

If it hadn't been for you,
I might not have had a life.

If it hadn't been for you,
I might have never know what love meant

If it hadn't been for you,
I might never know what it meant to be loved.

Life

life can be good
life can be bad
but no matter what
live it to the fullest.

Weslee Sampel

Love

love can be good
love can be bad
but love is love

love can be true
love can be false
but love is love

love can be a life saver
love can be a suicide wish
but love is love

love can be helpful
love can be the worst disaster
but love will always be love

Si No Hubiera Sido Por Ti

Si no hubiera sido por ti,
Yo no estaría vivo.

Si no hubiera sido por ti,
Yo no habría sido nada, nada más que un ser sin esperanza.

Si no hubiera sido por ti,
Mi vida no habría tenido ninguna alegría o emoción.

Si no hubiera sido por ti,
Mi vida sería la cosa más triste.

Si no hubiera sido por ti,
Podría no haber tenido una vida.

Si no hubiera sido por ti,
Yo nunca podría saber lo que significaba el amor

Si no hubiera sido por ti,
Nunca sabría lo que significaba ser amado.

The Ghost

when you gone to bed.
in your little house
the ghost comes alive
in your house

you wake up
you hear a crash
you go down stairs
you see nothing

but really
it is
the ghost

The Girls With The Orange Hair

I don't know why
I have always love
girls with the orange hair
my most founding trait
it weird but it's true

my best friend,
my two close friends,
my crushes,
have always been orange haired girls

but I will never let them leave my thought
it may be because I love the color
or it could be the other way around
but I will never hate one
and that is all I know to tell

To Say Hello

some times it's hard to say hello
the shy people, the people with a hard life
but deep down you want to say hello
well don't be scared
cause someone will always be there for you

Un Poema Sobre El Amor

Amor y poemas
Son como un par
Poema sería la esposa
El amor sería el esposo
Pero lo único
Que los une

Weslee Sampel

Valentine's

valentine's

Vida

La vida puede ser buena
la vida puede ser mala
pero pase lo que pase
vivir al máximo.

Why I Even Care

why do I even care
what you say
why should I care
what you do
maybe I don't
maybe I do

why should you care
what I say
why should you care
what I do
maybe you don't
maybe you do

but I care
because I don't want you
to feel bad
I care
so you
don't die
